A lively investigation into the boundaries between popular culture and early-modern science. Until the 17th century, all members of society dreaded comets as heaven-sent portents of disaster. This book leads to the conclusion that long-held views of comets as divine signs were not over-turned by astronomical discoveries, but became the foundation on which modern cosmology was built. 53 photos.

Now in its 46th edition, British Qualifications is the definitive one-volume guide to every qualification on offer in the United Kingdom. With an equal focus on vocational studies, this essential guide has full details of all institutions and organizations involved in the provision of further and higher education and is an essential reference source for careers advisors, students and employers. It also includes a comprehensive and up-to-date description of the structure of further and higher education in the UK. The book includes information on awards provided by over 350 professional institutions and accrediting bodies, details of academic universities and colleges and a full description of the current framework of academic and vocational education. It is compiled and checked annually to ensure accuracy of information.

It also includes a comprehensive and up-to-date description of the structure of further and higher education in the UK. The book includes information on awards provided by over 350 professional institutions and accrediting bodies, details of academic universities and colleges and a full description of the current framework of academic and vocational education. It is compiled and checked annually to ensure accuracy of information.

An essential component of good practice in physical education is ensuring inclusivity for all pupils, regardless of need, ability or background. Now in a fully revised and updated new edition, Equity and Inclusion in Physical Education fully explores the theoretical and practical issues faced by physical education teachers today. The book amalgamates areas of critical debate within the world of physical education and is structured around the key topics of ability, special educational needs, gender, sexuality, social class, race and ethnicity. These issues are discussed in relation to principles of equity, equality of opportunity, pedagogy, differentiation, curriculum planning and cultural awareness. Other chapters explore contemporary themes such as healthism and obesity and values in physical education and policy, whilst a chapter new to this edition demonstrates the importance of reflexivity and critical self-reflection in good inclusive practice. As well as being a perfect introductory text for any course on inclusion or inclusive practice in physical education, the book offers invaluable, practical advice for established professionals, newly qualified teachers and trainees about how to meet equity and inclusion requirements. Examples of good practice are included throughout, as well as guidance on how to implement an inclusive PE curriculum within the school.

British Vocational Qualifications is an indispensable reference for careers advisors, human resource managers, employers, teachers and students, featuring up-to-date information on over 3,500 vocational qualifications available in the United Kingdom. These include Vocational Qualifications (VQs), National Vocational Qualifications (NVQs), Scottish Vocational Qualifications (SVQs), Related Vocational Qualifications (RVQs) and apprenticeships. The directory also covers the latest developments within the fast-changing field of vocational qualifications, and details of awarding, examining and validating

bodies. British Vocational Qualifications is a simple guide for anyone who needs to understand vocational education, whether researching what is available, verifying a qualification for legal purposes, or reviewing where best to study for them.

Managing Yourself is designed primarily to complement the 1st4sport Level 3 Certificate in Managing Sports Volunteers (L3CMSV) but it can also be used as a stand-alone resource for volunteer managers wishing to gain further knowledge and ideas relating to managing people. This runningsports workbook is one of four that supports the L3CMSV qualification and may also contribute towards the 1st4sport Level 2 Certificate in Managing Sports Volunteers. Managing Yourself focuses upon the skills you need as a volunteer manager to manage yourself and the workforce around you. It focuses upon managing time, managing change, continued professional development, leadership and influencing skills.

It is a common assumption that sport is good for us and that participation in sport embodies public health benefits. With sport being increasingly used to deliver public health interventions worldwide, this book critically examines the rationale and evidence for sport as a public health policy tool. Featuring contributions from the United Kingdom, United States, Europe and Australia, it sheds new light on an emerging field of research which has significant implications for public health across the globe. Each chapter looks at the effectiveness of sport interventions across the lifespan for biological, psychological and social benefits, including those that utilise a settings-based approach to health promotion such as schools and professional sport clubs. Drawing on cutting-edge research which examines policy and practice at community and elite levels, this book addresses key topics such as education, engaging children and young adults, mental health, sport sponsorship and volunteering. Sport and Health: Exploring the Current State of Play is important reading for all students, scholars and policy makers with an interest in the sociology of sport, physical activity and public health.

Coaching Resource to build Positive Behaviour in Sport This resource introduces you to the subject of positive behaviour management in sport. It helps you learn why unwanted behaviour occurs and how to deal with situations as they arise. Broken down into manageable sections, you'll discover: different ways of tackling unwanted behaviour in sport how to create an environment that encourages positive behaviour 'Top Tips' that help you recognise what creates a positive coaching environment and what actions encourage acceptable behaviour. A coach's guidebook to dealing with behaviour problems Every group and individual is different, and managing behaviour is a hands-on job. Use the examples within this guide to find the best solutions for you and create a positive environment for young people to develop.
