Addresses the practical and aesthetic considerations of layout such as where and how the content will be viewed, whether the format is a magazine, website, television graphic or bottle of bubble bath. This book will prove indispensable to anyone wishing to acquire a thorough knowledge of the principles of layout as used in modern design. Through the considered application of these principles a more balanced and effective design can be achieved.

Présentation des principes de base du fonctionnement de la mise en page avec des conseils précis. Illustré par des projets de commande réalisés par des studios de graphisme contemporains.
