Spiritual, philosophical, but also very down-to-earth, A Short Stay in Hell made me feel so many things that I will never forget it (when I finished it I had to go into the house and hug my wife). If you like thinking about "big questions" like how large the universe is and what immortality might be like, this book may teach you a lot of things.

A Short Stay in Hell. What fresh hell is this? Actually, Peck's take on the underworld is quite fresh and not at all what I was expecting. Now, if you'd told me that hell was a library where the books were unreadable, I'd say that was some Saw-level torture porn.

A damned man struggles to find meaning in a library, the dimensions of which are measured in light years.

How long is eternity? In a Hell Borrowed from a Jorge Borges story and constructed by a God he had never heard of, an ordinary man struggles to find meaning in a library, the dimensions of which are measured in light years. What does it mean to live forever? Is there any meaning in an existence that never ends?

A damned man struggles to find meaning in a library, the dimensions of which are measured in light years.

Think adolescence is hell? You have no idea... Welcome to Dante's Inferno, by way of The Breakfast Club, from the mind of American fiction's most brilliant troublemaker. "Death, like life, is what you make out of it." So says Madison, the whip-tongued 11-year-old narrator of Damned, Chuck Palahniuk's subversive homage to the young adult genre. Madison is abandoned at her Swiss boarding school over Christmas while her parents are off touting their new film projects and adopting more orphans. Over the holidays she dies of a marijuana overdose--and the next thing she knows, she's in Hell. This is the afterlife as only Chuck Palahniuk could

imagine it: a twisted inferno inspired by both the most extreme and mundane of human evils, where The English Patient plays on repeat and roaming demons devour sinners limb by limb. However, underneath Madison's sad teenager affect there is still a child struggling to accept not only the events of her dysfunctional life, but also the truth about her death. For Madison, though, a more immediate source of comfort lies in the motley crew of young sinners she meets during her first days in Hell. With the help of Archer, Babette, Leonard, and Patterson, she learns to navigate Hell--and discovers that she'd rather be mortal and deluded and stupid with those she loves than perfect and alone.

That storyline drives Hell of a Book and is the scaffolding of something much larger and urgent: since Mott's novel also tells the story of Soot, a

young Black boy living in a rural town in the recent past, and The Kid, a possibly imaginary child who appears to the author on his tour. As these characters' stories build and build and converge, they astonish. For while this heartbreaking and magical book entertains and is at once about family, love of parents and children, art and money, it's also about the nation's reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is The Kid? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind and an electrifying plot ideal for book club discussion, Hell of a Book is the novel Mott has been writing in his head for the last ten years. And in its final twists it truly

The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you.
