Baby, I'm Howling for
You is the first full
length novel in the
Alphaville series. There
is a prequel to this, but it
isn't necessary to read
it, but I really thought it
helped set the tone for
the series.

In reading this book,
you will get a glimpse
of my day-to-day life.
The tirades (or stories)
are based on true life
events that have either
pissed me off or made
me think. No doubt, this

File Type PDF

Baby Im

book will make some of you uncomfortable and somewhat offended.

Half of you won't make it through the first tirade. I don't care. But if you can keep reading, your uncomfot may release you and be a blessing from a maniac. I feel so many things go unquestioned or unanswered in the world. We live lives not

File Type PDF

Baby Im

of quiet despair, but of
quiet slavery. We
submit to a 9 to 5, we
submit to marriage and
divorce, we submit to
2.5 children, we submit
to our friends' dumb ass
suggestions, we submit
we submit. We witness
things that piss us off
and we do nothing. Yet,
we will wait for
someone to take up the
mantle and speak out.

File Type PDF

Baby Im

Well, I could no longer wait for someone else to do what I should have done long ago. When I wrote the first tirade, I was pissed off. And while I was writing it, I had no intention of writing another (at least initially). But, the release was incredible - therapeutic. And the funny fucking thing was I really had something

File Type PDF

Baby Im

to say all be it in my own unique way. People wrote me to let me know I had tapped into something or touch a nerve. My friends wanted me dead..my family wanted me deader. But, everyone wanted more and I had more to say. So as you read this book, whether you are sitting on the toilet, in prison cell or in

your cubicle at work, it really is my gift to you. Please let me know what you think. Hell, you may become the next subject of a tirade
