The United States established diplomatic relations with Bolivia in 1849 following its independence from Spain. In recent years, the Bolivian government's decisions to expel the U.S. ambassador and U.S. law enforcement and development cooperation agencies have strained the bilateral relationship between the United States and Bolivia .

U.S. Relations With Bolivia - United States Department of ...

Bolivia–United States relations were established in 1837 with the first ambassadorial visit from the United States to Peru–Bolivian Confederation. The Confederation dissolved in 1839, and bilateral relations did not occur until 1848 when the United States recognized Bolivia as a sovereign state and appointed John Appleton as the Chargé d'Affaires. ...

Bolivia–United States relations - Wikipedia

The United States established diplomatic relations with Bolivia in 1849 following its independence from Spain. In recent years, the bilateral relationship between the United States and Bolivia has been strained by the Bolivian government's decisions to expel the U.S. ambassador and U.S. law enforcement and development cooperation agencies.

Bolivia - United States Department of State

Imagine the following nightmare: The United States faces a close vote in the presidential election. Trump claims voter fraud and seeks backing from the nation's military, who then stage a coup to keep him in power. Farfetched? The Trump Administration already did it in Bolivia last year. "If the far right in Bolivia is more democratic than Trump," Field says, "we're in deep

What Bolivia Can Teach the United States About Democracy ...

Thomas Field, associate professor Global Security and Intelligence at Arizona's Embry-Riddle Aeronautical University, tells me the United States can learn from Bolivia's 2019 election. The coup leaders claimed fraud based on a preliminary count and rejected the final count that included late reports from rural areas.

Bolivia names its first ambassador to United States in ...

The United States and Bolivia: Propaganda, Lies and False Flags. The United States will always find a way to subvert the will of foreign peoples who choose governments that do not immediately submit to the interests of U.S. foreign policy. A very recent example of this are U.S. actions in Bolivia in 2019. In November of 2019, Evo Morales, who had recently won a fourth term as president of Bolivia, was overthrown.
