An original and illuminating narrative revealing John F. Kennedy's lasting influence on America, by the acclaimed political analyst Larry J. Sabato.

Shows how attack journalism, attempts to discredit politicians due to personal behavior, has diverted the public's attention from real issues, discouraged worthy candidates, and damaged the press itself

In this book, leading American politics experts examine every facet of the stunning 2020 election and its aftermath and how these events will impact America moving forward. Each contributor goes beyond the headlines and dives into the underlying forces and shifts that drove the election from its earliest developments to its chaotic conclusion.

A More Perfect Constitution presents creative and dynamic proposals from one of the most visionary and fertile political minds of our time to reinvigorate our Constitution and American governance at a time when such change is urgently needed, given the growing dysfunction and unfairness of our political system. Combining idealism and pragmatism, and with full respect for the original document, Larry Sabato's thought-provoking ideas range from the length of the president's term in office and the number and terms of Supreme Court justices to the vagaries of the antiquated Electoral College, and a compelling call for universal national service-all faced through with the history behind each proposal and the potential impact on the lives of ordinary people. Aware that such changes won't happen easily, but that the original Framers fully expected the Constitution to be regularly revised, Sabato urges us to engage in the debate and discussion his ideas will surely engender. During a presidential election year, no book is more relevant or significant than this.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, American Government: Roots and Reform provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

Larry Sabato, one of the leading experts in American politics, has brought together respected journalists and academics from across the political spectrum to examine every facet of the 2012 election, and what its development and outcome will mean for the nation moving forward. In frank, accessible prose, each author offers insight that goes beyond the headlines, and dives into the underlying forces and shifts that drove the election from its earliest developments to its dramatic conclusion.

Prominent elections scholar and political commentator Larry J. Sabato brings together respected journalists and experts from across the political spectrum to examine every facet of the midterm election results and the implication for the 2016 election cycle.

In this timely book, Larry Sabato and Kyle Kondik bring together respected journalists and academics from across the political spectrum to examine every facet of the 2018 election, and what its outcome portends for our national politics and the coming 2020 presidential election.

In 2016, Donald Trump broke almost all the rules of politics to win the Republican nomination and, even more improbably, to edge out heavily favored Hillary Clinton in one of the great upsets in presidential campaign history. In Trumped: The 2016 Election That Broke All the Rules, Larry Sabato, Kyle Kondik, and Geoffrey Skelley, leading experts in American politics, bring together respected journalists, analysts, and scholars to examine every facet of the stunning 2016 election and what its improbable outcome will mean for the nation moving forward under a Trump administration. In frank, accessible prose, each author offers insight that goes beyond the headlines and dives into the underlying forces and shifts that drove the election from its earliest developments to its dramatic conclusion as one of the greatest upsets in presidential campaign history. Trumped will be an indispensable read for political junkies and all students of American politics. Contributions by Alan Abramowitz, Matt Barreto, David Byler, Anthony Cilluffo, Rhodes Cook, Robert Costa, Ariel Edwards-Levy, Natalie Jackson, Kyle Kondik, Susan MacManus, Diana Owen, Ron Rappoport, Larry Sabato, Greg Sargent, Tom Schaller, Gary Segura, Geoffrey Skelley, Walter Stone, Michael Toner, Karen Trainer, Sean T rende, and Janie Valencia.

This is a behind-the-scenes look at news coverage of political scandals in America. It analyzes what gets reported, what doesn't and why, and looks at the forces driving attack journalism and the influence they have on voters and candidates.
