CHEYENNE CAPTIVE: Georgina Gentry: 9780821719800: Amazon ...

By August, 937 Cheyenne had reached Fort Reno, but several dozen of the Northern Cheyenne left the group on the way there. When the Cheyenne arrived at the reservation, the conditions were bad, with disease, limited food and housing, problems over ration disbursement, and cultural differences with the people living there.

Cheyenne People: History, Culture, and Current Status

Cheyenne grew up on a ranch in southeastern Arizona. She has been writing ever since she can remember, back to her kindergarten days when she penned her first poem. She always knew one day she would write novels, hoping her readers would get lost in the worlds she created, just as she experienced when she read some of her favorite books.

SCANDALOUS THOUGHTS When headstrong, golden-haired Summer ran away from home, all she could think of was leaving her strict father behind. But after a vengeance-seeking Indian attacked her stage, threatening her with a fate worse than death, the tempestuous girl yarned for her parents' overbearing rules. . . until the savage's cruel grip changed to a tantalizing touch! His sensuous caress banished all ties to the past, the exciting things he did with his lips made her yearn for an unknown fulfillment. From that moment the spirited innocent knew that her future was bound to his—and she'd cherish whatever relationship the uncivilized brave decided to have with her. FORBIDDEN DESIRES From the years he was forced to live in Texas, the handsome half-breed Iron Knife knew how deceptive palefaces could be. Surely this creamy-skinned, blue-eyed beauty was no different. But even as he tried to brutally punish her for her heritage, he was ensnared by the hip-length strands of wheat-hued tresses, enchanted by the firm curves of her nubile white body. Before the ruthless warrior could control himself, he was whispering of love, swearing there'd be no others. He could never marry this ignoble slave, but he'd sooner slay her than ever give up his bewitching CHEYENNE CAPTIVE.

Captivity narratives have been a standard genre of writings about Indians of the East for several centuries.a Until now, the West has been almost entirely neglected.a Now Gregory and Susan Michno have rectified that with this painstakingly researched collection of vivid and often brutal accounts of what happened to those men and women and children that were captured by marauding Indians during the settlement of the West."

Publisher Description

In 1874, just two years before General George A. Custer's death at Little Big Horn, a collection of his magazine articles was published as "'My Life on the Plains.'" Custer, General in the U.S. Army's Seventh Cavalry, wrote personal accounts of his encounters with Native Americans during the western Indian warfare of 1867-1869. The collection was a document of its time and an important primary source for anyone interested in U.S. military affairs and U.S./Native American relations. Custer's references to Indians as "'bloodthirsty savages'" were tempered by his empathetic understanding of their reason for fighting: "'If I were an Indian, I often think I would greatly prefer to cast my lot among those of my people who adhered to the free open plains, rather than submit to the confined limits of a reservation '"

"Georgina Gentry brings the West and her characters to life and gives her fans hours of true reading pleasure." —Romantic Times Fort Reno, Indian Territory, 1878. Glory Halstead faced her captor with the same pride and courage that had seen her through hardship and bitter scandal and vowed to be strong. She didn't know what Two Arrows intended to do with her. But she knew her life had changed forever that fateful night she had witnessed three hundred Cheyenne fleeing captivity at Fort Reno. "Ms. Gentry writes tantalizing love scenes by creating an ambience of romance." —Rendezvous Two Arrows wanted vengeance—and he would get it by making another man's woman his own. Yet as captain David Krueger of the U.S. cavalry rode hard and fast with his troops to recapture the woman he loved and the Cheyenne he hated, Glory was losing her heart to a man, a people, and a new life. Now as they made the brutal journey through the harsh, unforgiving wilderness, Glory and Two Arrows would discover passion as primal and unyielding as the land they were destined to tame. . . "Nobody does it like Georgina Gentry!"— Barbra Critiques

Records the struggles of the northern Cheyenne who battled the United States Cavalry in an effort to return to their Yellowstone homelands

Colorado Territory in 1864 wasn't merely the wild west, it was a land in limbo while the Civil War raged in the east and politics swirled around its potential admission to the union. The territorial governor, John Evans, had ambitions on the national stage should statehood occur--and he was joined in those ambitions by a local pastor and erstwhile Colonel in the Colorado militia, John Chivington. The decision was made to take a hard line stance against any Native Americans who refused to settle on reservations--and in the fall of 1864, Chivington set his sights on a small band of Cheyenne under the chief Black Eagle, camped and preparing for the winter at Sand Creek. When the order to fire on the camp came on November 28, one officer refused, other soldiers in Chivington's force, however, immediately attacked the village, disregarding the American flag, and a white flag of surrender that was run up shortly after the soldiers commenced firing. In the ensuing "battle" fifteen members of the assembled militias were killed and more than 50 wounded Between 150 and 200 of Black Kettle ' s Cheyenne were estimated killed, nearly all elderly men, women and children. As with many incidents in American history, the victors wrote the first version of history--turning the massacre into a heroic feat by the troops. Soon thereafter, however, Congress began an investigation into Chivington's actions and he was roundly condemned. His name still rings with infamy in Colorado and American history. Mochi ' s War explores this story and its repercussions into the last part of the nineteenth Century from the perspective of a Cheyenne woman whose determination swept her into some of the most dramatic and heartbreaking moments in the conflicts that grew through the West in the aftermath of Sand Creek.
