day information, gather together to create Venn diagrams to explore similarities and differences in the careers they heard about. If they heard about computers and art, designing computer games might be a good career; if they like pets and psychology, maybe they could be an animal behaviorist.

## 50 Career Day Ideas and Activities - SignUpGenius.com

Career exploration activities refer to fun programming that introduces kids to a wide variety of occupations. These programs are typically focused on children in elementary and middle school, as high school students usually explore careers through more in-depth work-based learning. Career exploration is an important step in helping students learn about multiple career options and these fun activities are designed to help students identify their unique interests, talents and skills.
