In the months before Isaac's birth, Brother Yun was in prison. His mother was about to be forced into having an abortion, though seven months pregnant, because she was carrying the child of an enemy of the state. After desperate prayer, the night before she was due to go into a hospital for the operation, she miraculously gave birth.

The Study Guide to Accompany Statistics for the Behavioral Sciences includes a review of chapter learning objectives, chapter outlines and key terms, essential statistical formulas, special tips and insights for students, and chapter summaries. To practice skills, the guide offers word searches and crossword puzzles for each chapter, extensive practice quizzes linked to chapter learning objectives and SPSS in Focus exercises which complement those in the book.

In his major work on communism, the international bestseller The Passing of an Illusion, the eminent French historian François Furet devoted a lengthy footnote to German historian Ernst Nolte’s interpretation of fascism. Nolte responded, a correspondence ensued, and the result was the remarkable exchange presented in this volume. Fascism and Communism offers readers the rare opportunity to witness and learn from a confrontation between two of the world’s most distinguished historians over one of the most serious subjects of our time. Each from a different perspective, Furet and Nolte offer compelling arguments for the common genealogy of these two ideologies as well as reasons for the intellectual community’s rejection of this explosive thesis throughout the twentieth century. This discussion leads to a deeper understanding of the nature of totalitarianism as well as the trajectory and interpretation of modern European history.

Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller Firefly Lane and True Colors comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

"A rich, multilayered reading experience, and an easy recommendation for book clubs." —Library Journal (starred review) Life comes down to a series of choices. To hold on... To let go...to forget...to forgive... Which road will you take? For eighteen years, Jude Farraday has put her children's needs above her own, and it shows—her twins, Mia and Zach, are bright and happy teenagers. When Lexi Baill moves into their small, close-knit community, no one is more welcoming than Jude. Lexi, a former foster child with a dark past, quickly becomes Mia's best friend. Then Zach falls in love with Lexi and the three become inseparable. Jude does everything to keep her kids out of harm's way. But senior year of high school tests them all. It's a dangerous, explosive season of drinking, driving, parties, and kids who want to let loose. And then on a hot summer's night, one bad decision is made. In the blink of an eye, the Farraday family will be torn apart and Lexi will lose everything. In the years that follow, each must face the consequences of that single night and find a way to forget...or the courage to forgive. Vivid, universal, and emotionally complex, Night Road raises profound questions about motherhood, identity, love, and forgiveness. It is a luminous, heartbreaking novel that captures both the exquisite pain of loss and the stunning power of hope. This is Kristin Hannah at her very best, telling an unforgettable story about the longing for family, the resilience of the human heart, and the courage it takes to forgive the people we love. "You cannot read Night Road and not be affected by the story and the characters. The total impact of the book will stay with you for days to come after it is finished." —The Huffington Post

"Unforgettable poems that, on the verge of tales and fables, drag the reader toward a universe of screened images, like 'pollen clouds in the slant evening light'." —Antonio Ortega, El Pais

LEGO® Play Book proves it. You can build anything with a LEGO brick in your hand LEGO® Play Book contains a collection of all-new LEGO building ideas that will inspire you to play with your favourite LEGO models in new and exciting ways. Organised in imaginatively themed chapters, covering everything from a LEGO safari and life under the sea to extreme sports and beach scenes. This book is designed to teach you how to get the most play out of your LEGO models. With over 200 building ideas and tips, including suggestions for 'ten-minute builds', 'cool brick' features and 'a handful of bricks', you'll discover endless LEGO possibilities. Advice from LEGO fan builders encourages you to get creative while developing your LEGO skills and knowledge of new bricks and tricks. With a mixture of LEGO models, from the very simplest to the more complex, LEGO® Play Book is perfect for everyone; for beginners and more accomplished builders alike.

Now a Netflix original series! A deadly coup within the Wizard's Guild leaves the Witcher, Geralt of Rivia, gravely injured, and his ward Ciri missing in the third book of the New York Times bestselling series that inspired the Netflix show and the hit video games. The Wizards Guild has been shattered by a coup and, in the uproar, Geralt was seriously injured. The Witcher is supposed to be a guardian of the innocent, a protector of those in need, a defender against powerful and dangerous monsters that prey on men in dark times. But now that dark times have fallen upon the world, Geralt is helpless until he has recovered from his injuries. While war rages across all of the lands, the future of magic is under threat and those sorcerers who survive are determined to protect it. It's an impossible situation in which to find one girl -- Ciri, the heirress to the throne of Cintra -- until a rumor places her in the Niflgaard court, preparing to marry the Emperor. Injured or not, Geralt has a rescue mission on his hands. Andrzej Sapkowski, winner of the World Fantasy Lifetime Achievement award, started an international phenomenon with his Witcher series. Now, look out for The Tower of Fools, book one of Andrzej Sapkowski's Hussite Trilogy, coming in October 2020! Witcher novelsBlood of Elves The Time of Contempt Baptism of Fire The Tower of SwallowsLady of the LakeSeason of Storms Witcher collectionsThe Last WishSword of Destiny The Malady and Other Stories: An Andrzej Sapkowski Sampler (e-only) Translated from original Polish by David French

A tale of "dazzling brilliance . . . a simple story which conveys boundless meanings both modest and diverse, set in Jerusalem directly after WWII" (Historical Novel Society). When Soumchi, an eleven-year-old boy growing up in British-occupied Jerusalem just after World War II, receives a bicycle as a gift from his Uncle Zemach, he is overjoyed—even if it is a girl’s bicycle. Ignoring the taunts of other boys in his neighborhood, he dreams of riding far away from them, out of the city and across the desert, toward the heart of Africa. But first he wants to show his new prize to his friend Aldo. In the tradition of such memorable characters as Huckleberry Finn and Holden Caulfield, Amos Oz’s Soumchi is fresh, funny, and always engaging. “What a difference spirit and talent make! . . . told . . . with zest and buoyant humor, from the dual viewpoint of the alternately crushed and elated Soumchi and the amused author who delights in his boyhood excesses.” —Kirkus Reviews “Oz shows a remarkable ability to stay true to his character and expand him fully into a multi-faceted jewel. Soumchi is a concise read which enhances each person’s view on life, possessions, and how tender life and far-reaching imagination can be at such a sensitive age.” —Historical Novel Society

The Dutch people are some of the happiest in the world. Their secret? They are masters of niksen, or the art of doing nothing. Niksen is not a form of meditation, nor is it a state of laziness or boredom. It's not scrolling through social media, or wondering what you're going to cook for dinner. Rather, to niks is to make a conscious choice to sit back, let go, and do nothing at all. With this book, learn how to do nothing in the most important areas of your life, such as: AT HOME: Find a comfy nook and sit. No technology or other distractions. AT WORK: Stare at your computer. Take in the view from your office. Close your eyes. IN PUBLIC: Forget waiting for the bus, enjoy some relaxing niksen time. Backed with advice from the world’s leading experts on happiness and productivity, this book examines the underlying science behind niksen and how doing less can often yield so much more. Perfect for anyone who feels overwhelmed, burnt out, or exhausted, NIKSEN does not tell you to work harder. Instead, it shows you how to take a break from all the busyness while giving you sincere, heartfelt permission to do nothing.
