~~Colorectal Cancer Screening—Quality and Benchmarks ...~~

Introduction: The effectiveness of screening colonoscopy in decreasing the

Download Free Colorectal

incidence of colorectal cancer (CRC) is largely dependent on the detection of polyps and the quality of the procedure. Several key quality measures have been proposed to improve the effectiveness of screening colonoscopies. Aim: To evaluate quality indicators of screening

Colonoscopy in a tertiary
hospital.

~~Assessment of quality in
screening colonoscopy
for ...~~

Quality assurance is a
key issue in colorectal
cancer screening,
because effective
screening is able to
improve primary
prevention of the
cancer. The quality

Download Free Colorectal

measure may be described in terms: how well the screening test tells who truly has a disease (sensitivity) and who truly does not have a disease (specificity).

This paper raises concerns about identification of the optimal screening test for colorectal cancer.
