The first view we explore in this area is that there ought to be a small state. For both economic and social reasons, conservatives believe that the role and the size of the state should be limited. With regards to welfare, this tempers conservative support for extensive state provision of welfare.~~

~~This chapter addresses the longer-term development of Conservative Party thinking. Attention is focused first on the emergence and development of modern One Nation Conservatism from the end of the war until the demise of the Douglas-Home government in 1964. Second, attention is given to the neo-liberal turn in the Conservative approach to the welfare state, which surfaced briefly in the early years of the Ted Heath's government and came to fruition during the Margaret Thatcher (1979-90) ...~~

~~Conservative Party and the welfare state since 1945 ---~~

~~e. Social conservatism in the United States is a political ideology focused on the preservation of traditional values and beliefs. It focuses on a concern with moral and social values which proponents of the ideology see as degraded in modern society by liberalism. In the United States, one of the largest forces of social conservatism is the Christian right.~~

~~Social conservatism in the United States ---Wikipedia~~

~~Social conservatism is a political right-wing ideology which places emphasis on traditional power structures over social pluralism, and seeks to "reverse or stem the direction of change". Social conservatism in North America rose in the late 1900s as a reaction to the economic insecurity of lower-class Protestant Americans, McCarthyism and other anti-immigration ideologies, and the organisation and politicisation of social issues. Sociologist Harry F. Dahms suggests that social conservatism rela~~
