69+ High Quality Copywriting Templates Proven to Work

A physical swipe file allows you to include good copywriting from a wealth of different sources. Your swipe file can (and should include) magazine clippings, newspaper ads, promo postcards, sales letters you got on the mail, etc. If you have an e-mail or web page you want to include in your swipe file, print it out and use a neon yellow marker to highlight the reason you printed it out. You should also use a pen to scribble pertinent notes on the margins. The more you add to it...
