Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. A magnificent saga set in the Celtic twilight of 10th century Ireland, when myth was law and magic was a power of nature, brilliantly brought to life: the legendary story of an evil stepmother opposed by a seventh child. A wicked woman, an evil curse, and a love that must triumph over impossible odds Set in the Celtic twilight of ancient Ireland, when myth was law and magic a force of nature, this is the tale of Sorcha, seventh child of a seventh son, the forbidding Lord Colum, and of her six beloved brothers. The keep at Sevenwaters is a remote, strange, quiet place, guarded by silent men who slip through the woodlands clothed in grey, and keep their weapons sharp. For there are invaders outside the forest; raiders from across the seas, Britons and Vikings bent on destruction. But now there is also an invader inside the keep: the Lady Oonagh, a sorceress as fair as day, but with a heart as black as night. Oonagh captivates Lord Colum with her sensual wiles; but she cannot enchant the wary Sorcha. Frustrated in her attempts to destroy the family, Oonagh binds the brothers with a spell that only Sorcha can lift. If she fails, they will die. Then the raiders come, and Sorcha is taken captive. Soon she will find herself torn between her duty to break the curse, and a growing, forbidden love for the warlord who is her captor. Like Marion Zimmer Bradley's MISTS OF AVALON or Jean Auel's CLAN OF THE CAVE BEAR, this is first-rate historical fantasy that can have the widest possible appeal, taking in also the readership of historical fiction writers like Mary Stewart , Mary Renault and Anya Seton.

Sibeal has always known that she is destined for a spiritual life, and is committed to it with all her heart. The only thing left for her to do before she enters the nemetons is to spend the summer visiting her sisters, Muirrin and Clodagh, on the northern island of Inis Eala. But Sibeal has barely set foot on the island before a freak storm out at sea sinks a ship before her eyes. In spite of frantic efforts, only three survivors are fished alive from the water, and one of them, a man Sibeal names Ardal, clings to life by the merest thread. Life continues on the island, as it must, and Sibeal befriends Ardal as he begins to regain his health. But it becomes clear there is something unusual about the three shipwrecked strangers. Why won't the beautiful Svala speak? And what is it that the gravely ill Ardal can't remember - or won't tell? When a visiting warrior is found dead at the bottom of a cliff, and an attempt is made on Ardal's life, Sibeal finds herself a pawn in a deadly game. The truth will be far more astonishing than she could ever have believed - and the consequences for Sibeal unimaginable.
