Get competitive by learning to think strategically. The inability to set good strategy can sink a company and a leader's career. A recent Wall Street Journal study revealed that the most sought-after executive skill is strategic thinking, but only three out of ten managers have this skill set. Horwath explains the three keys to strategic thinking, breaks them down into simple, attainable skills, and gives you practical tools to apply them every day, providing managers with a clear

Assessments, this is an unmissable book for knowledge management professionals and researchers.

“This extraordinary book shows that you don’t have to raise your volume to have a voice.” —Susan Cain, #1 New York Times-bestselling author of *Quiet*

Introverts may feel powerless in a world where extroverts seem to rule, but there’s more than one way to have some sway. Jennifer Kahnweiler proves introverts can be highly effective influencers when, instead of trying to act like extroverts, they use their natural strengths to make a difference. Kahnweiler identifies six unique
