### Depictions and Images of War in Edwardian Newspapers, 1899 ...

The visual depictions that were created during the war provide an opportunity to explore the many different ways in which African Americans—free and enslaved, in Union and Confederate states—advanced the war effort. However, these images also encourage us to examine the many ways in which artists, photographers, and publishers chose to depict African Americans in the war effort, and to consider their reasons for doing so.

### Civil War Images: Depictions of African Americans in the ...

The Depictions of War through Time Works of art have depicted many narratives of war. Most of these images describe the events of war but also in describing the war they also show the general attitudes. Attitudes of this have been changing as wars have advanced from the power of kingdoms to antiwar views.
