The online etymology dictionary is the internet's go-to source for quick and reliable accounts of the origin and history of English words, phrases, and idioms. It is professional enough to satisfy academic standards, but accessible enough to be used by anyone. The site has become a favorite resource of teachers of reading, spelling, and English as a second language.

Online Etymology Dictionary | Origin, history and meaning ...

Derivation definition is - the formation of a word from another word or base (as by the addition of a usually noninflectional affix). How to use derivation in a sentence.
