With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.

IS IT TRUE THAT JESUS TRAVELED TO INDIA? Was he influenced by the ancient teachings of Hinduism and Buddhism? If not, why are there so many coincidences between Hinduism, Buddhism and the teachings imparted by Jesus? Why do the Gospels of Mark, Mathew, Luke, and John keep silent regarding his life from his twelfth year to his thirtieth, when he began his public life? What happened during those seventeen years silenced by the Gospels? Did he stay with his parents, as most Christians claim, or did he travel to distant lands, including the land of the Ganges? The mission of these pages is to answer these questions and try to unbury the truth, hoping to shed some light on these matters with the object of reaching a better understanding of the lost years of Jesus and the similarities between the spiritual teachings of Hindus, Buddhists, Christians, and Jews. Buddhist teachings inspired by the talks of Ajahn Brahm and the art of letting go. Lorenzo da Costa shares his personal journey and insights into Buddhism. Learning to 'let go' sits at the heart of day to day Buddhist practice. It is essential in dealing with the difficulties and troubles of everyday life using the principles of Buddhist psychology. In the format of vignettes and reflections the 'how to do it' is discussed. The material is inspired by Ajahn Brahm's internet talks. Ajahn Brahm is one of the world's best known Buddhist teachers. The second part of the book reflects on the essential unity of Buddhism, Taoism, Hinduism and Gnostic Christianity. An excellent insight into Buddhist teachings and the art of letting go.
