A young girl fights to overcome her past after escaping rape, bullying, and homelessness. Shante Clemmons (Butterfly) is a mature-looking, fifteen-year-old foster home reject, who is tossed into the street in the middle of the night after being falsely accused of sleeping with her foster care father. She falls asleep behind a well-lit club only to be awakened by a huge intimidating man who offers her a job as a dancer. Butterfly becomes the most popular dancer in the club until she decides that she is ready to focus on her education. The upset owner of the club demands she make due on an old debt or suffer the consequences. It ends in a physical altercation, and Butterfly flees for her life. As fate would have it, she ends up in the care of her estranged father's ex-prison cellmate, Dr. Johnny Forrester, who takes Butterfly under his roof to fulfill a promise he made to her father. With much dismay, Butterfly moves into the Forresters' home. Despite her many obstacles, she is determined to survive her senior year of high school and then go to college...but will she?

Torius Vin is perfectly happy with his life as a pirate captain, sailing the Inner Sea in search of plunder with a bold crew of buccaneers and Celeste, his snake-bodied navigator and one true love. Yet all that changes when his sometimes-friend Vreva - a high-powered courtesan and abolitionist spy in the slaver stronghold of Okeno - draws him into her shadowy network of insurgents. Caught between the slavers he hates and a navy that sees him as a criminal, can Torius continue to choose the path of piracy? Or will he sign on as a privateer, bringing freedom to others - at the price of his own? From fan-favorite author Chris A. Jackson comes a tale of espionage and high-seas adventure, set in the award-winning world of the Pathfinder Roleplaying Game.
