Essentials of Geology (11th Edition) - eBook - CST

The Eleventh Edition of Essentials of Geology, like its predecessors, is a college-level text for students taking their first and perhaps only course in geology. The book is intended to be a meaningful, nontechnical survey for people with little background in science. Usually students are taking this class to meet a portion of their college's or university's general requirements.

ESSENTIALS OF GEOLOGY -
science.earthjay.com

As a paleontologist I can say that this is a really good introductory geology college level textbook. My one star rank only applies to the Kindle version, which is very difficult to read. Amazon says the Kindle 11th edition was "Published April 9, 2018" but the print version of the 11th edition states a 2012 copyright.
