Flowers from the Storm is a long-time favourite romance of mine. It's heartfelt and deeply romantic while not being an easy read, but is filled with beautiful prose and imagery. The hero, Christian, Duke of Jervalux begins the book as your typical alpha-male; a wealthy man-about-town who can (and does) have any woman he wants.

Laura Kinsale, quote from Flowers from the Storm "The flame in her was slow and deep-he was going to incite it with the fire in himself; he was going to make a blaze to burn down cities, to lay waste cathedrals and castles and plain meetinghouses-to make a world where it was only him, and only her, and this bed, and one flesh."
