~~Fyffes and the Banana: Musa  
Sapientum - A Centenary ...~~

Thanks to companies like Fyffes  
bananas have become such a part of  
every day life, that we now take  
having them for granted. However, if  
you discover the incredible journey

# File Type PDF Fyffes And The Banana Musa

they go on from tiny seedlings,  
thousands of mile away to sitting in  
your fruit bowl at home, you ' ll  
appreciate them in a whole new light.

## Fyffes

Fyffes can even vary the ripeness of  
the bananas as they leave us – green

# File Type PDF Fyffes And The Banana Musa

to yellow – to help retailers and shoppers find the colour they love for eating now or to ripen at home for eating later. And that 's the best bit – when you and your family eat and enjoy them.

The field of business history has changed and grown dramatically over the last few years. There is less interest in the traditional 'company-centred' approach and more concern about the wider business context. With the growth of multi-national corporations in the 1980s,

# File Type PDF Fyffes And The Banana Musa

International and inter-firm  
comparisons have gained in  
importance. In addition, there has  
been a move towards improving links  
with mainstream economic, financial  
and social history through techniques  
and outlook. The International  
Bibliography of Business History

# File Type PDF Fyffes And The Banana Musa

Brings all of the strands together and provides the user with a comprehensive guide to the literature in the field. The Bibliography is a unique volume which covers the depth and breadth of research in business history. This exhaustive volume has been compiled by a team

# File Type PDF Fyffes And The Banana Musa

of subject specialists from around the world under the editorship of three prestigious business historians.

In 2001, the EU and US announced the end of a trade dispute over the

# File Type PDF Fyffes And The Banana Musa

sale of bananas into the EU market. The allocation of import licences had been found to violate World Trade Organization rules and to discriminate against suppliers from Latin America. This book examines the issues surrounding the dispute, in particular: the dependence of small

# File Type PDF Fyffes And The Banana Musa

Caribbean economies on European  
Banana Markets; the role of the  
private sector in influencing public  
policy; the relation between the  
banana trade and the political  
tensions of the EU Common  
Agricultural Policy; the domestic  
political influence of banana

# File Type PDF Fyffes And The Banana Musa

companies in the US and the role of the WTO and its settlement of trade disputes.

This volume is dedicated to Maritime Business History, by means of commemorating the career of Professor Peter Neville Davies, a

# File Type PDF Fyffes And The Banana Musa

Sapientum member of the Economic and Social History department of the University of Liverpool (a career spanning the dates 1964-1992). The volume is divided into four sections. The first is a tribute and appreciation of Professor Davies, which also acts as an introduction to his work for

# File Type PDF Fyffes And The Banana Musa

unfamiliar readers. The second section focuses on business aspects of British maritime history, with particular attention to the impact of British shipping overseas, and the rise and decline of shipbuilding industries. The third section is specific to Liverpool and Merseyside, and

# File Type PDF Fyffes And The Banana Musa

explores the local maritime history of the area, including trade with the Mediterranean, local shipbuilding, the Mersey port system, and nautical archaeology. The final section explores subjects within international maritime history, particularly within Norway and America. All essays and

# File Type PDF Fyffes And The Banana Musa

topics covered aim to collectively and significantly develop the field of maritime business history, and all are directly related to Professor Davies' academic interests, as a means of celebrating Professor Davies own accomplishments during his career. The journal concludes with a

# File Type PDF Fyffes And The Banana Musa

Comprehensive bibliography of  
Professor Davies' work.

The Caribbean banana trade is a controversial issue within international affairs. Peter Clegg investigates the complex political relationships between the traditional

# File Type PDF Fyffes And The Banana Musa

actors in the trade and how the issues of colonialism and globalization have shaped their interactions. He presents a detailed analysis of the development of the Caribbean banana trade and analyzes why the influence and importance of the traditional actors within the trade has

# File Type PDF Fyffes And The Banana Musa

diminished over the last thirty years.

## History 1888 1988

Over the past century, the banana industry has radically transformed Latin America and the Caribbean and become a major site of United States–Latin American interaction. Banana Wars is a history of the

# File Type PDF Fyffes And The Banana Musa

Americas told through the cultural, political, economic, and agricultural processes that brought bananas from the forests of Latin America and the Caribbean to the breakfast tables of the United States and Europe. The first book to examine these processes in all the western hemisphere regions

# File Type PDF Fyffes And The Banana Musa

where bananas are grown for sale abroad, *Banana Wars* advances the growing body of scholarship focusing on export commodities from historical and social scientific perspectives. Bringing together the work of anthropologists, sociologists, economists, historians, and

# File Type PDF Fyffes And The Banana Musa

geographers, this collection reveals how the banana industry marshaled workers of differing nationalities, ethnicities, and languages and, in so doing, created unprecedented potential for conflict throughout Latin American and the Caribbean. The frequently abusive conditions

# File Type PDF Fyffes And The Banana Musa

that banana workers experienced, the contributors point out, gave rise to one of Latin America ' s earliest and most militant labor movements.

Responding to both the demands of workers ' organizations and the power of U.S. capital, Latin American governments were inevitably affected

# File Type PDF Fyffes And The Banana Musa

by banana production. Banana Wars explores how these governments sometimes asserted their sovereignty over foreign fruit companies, but more often became their willing accomplices. With several essays focusing on the operations of the extraordinarily powerful United Fruit

# File Type PDF Fyffes And The Banana Musa

Company, the collection also examines the strategies and reactions of the American and European corporations seeking to profit from the sale of bananas grown by people of different cultures working in varied agricultural and economic environments. Contributors Philippe

# File Type PDF Fyffes And The Banana Musa

Bourgeois Marcelo Bucheli Dario

Grossman Mark Moberg Laura T.  
Raynolds Karla Slocum John Soluri  
Steve Striffler Allen Wells

This study of banana contract farming  
in the Eastern Caribbean explores the

# File Type PDF Fyffes And The Banana Musa

forces that shape contract-farming enterprises everywhere--capital, the state, and the environment.

Employing the increasingly popular framework of political ecology, which highlights the dynamic linkages between political-economic forces and human-environment

# File Type PDF Fyffes And The Banana Musa

Relationships, Lawrence Grossman provides a new perspective on the history and contemporary trajectory of the Windward Islands banana industry. He reveals in rich detail the myriad impacts of banana production on the peasant laborers of St. Vincent and the Grenadines. Grossman

# File Type PDF Fyffes And The Banana Musa

challenges the conventional wisdom on three interrelated issues central to contract farming and political ecology. First, he analyzes the process of deskilling and the associated significance of control by capital and the state over peasant labor. Second, he investigates the impacts of

# File Type PDF Fyffes And The Banana Musa

contract farming for export on domestic food production and food import dependency. And third, he examines the often misunderstood problem of pesticide misuse. Grossman's findings lead to a reconsideration of broader debates concerning the relevance of research

# File Type PDF Fyffes And The Banana Musa

on industrial restructuring and globalization for the analysis of agrarian change. Most important, his work emphasizes that we must pay greater attention to the fundamental significance of the "environmental rootedness" of agriculture in studies of political ecology and contract

File Type PDF Fyffes And  
The Banana Musa  
farming. Sapientum A Centenary  
History 1888 1988

Transport has become a major concern on both social and economic grounds in the late-twentieth century. This concern arises from a perception of the industry's failure to respond to the rapid growth in

# File Type PDF Fyffes And The Banana Musa

demand and to the threat of congestion and environmental pollution. A solution has been sought in economic policies dominated by ideas of liberalization and deregulation.

For well over a century, the United

# File Type PDF Fyffes And The Banana Musa

Fruit Company (UFCO) has been the most vilified multinational corporation operating in Latin America. Criticism of the UFCO has been widespread, ranging from politicians to consumer activists, and from labor leaders to historians, all portraying it as an overwhelmingly

# File Type PDF Fyffes And The Banana Musa

powerful corporation that shaped and often exploited its host countries. In this first history of the UFCO in Colombia, Marcelo Bucheli argues that the UFCO's image as an all-powerful force in determining national politics needs to be reconsidered. Using a previously

# File Type PDF Fyffes And The Banana Musa

unexplored source—the internal archives of Colombia's UFCO operation—Bucheli reveals that before 1930, the UFCO worked alongside a business-friendly government that granted it generous concessions and repressed labor unionism. After 1930, however, the

# File Type PDF Fyffes And The Banana Musa

country experienced dramatic transformations including growing nationalism, a stronger labor movement, and increasing demands by local elites for higher stakes in the banana export business. In response to these circumstances, the company abandoned production, selling its

# File Type PDF Fyffes And The Banana Musa

plantations (and labor conflicts) to local growers, while transforming itself into a marketing company. The shift was endorsed by the company's shareholders and financial analysts, who preferred lower profits with lower risks, and came at a time in which the demand for bananas was

# File Type PDF Fyffes And The Banana Musa

decreasing in America. Importantly, Bucheli shows that the effect of foreign direct investment was not unidirectional. Instead, the agency of local actors affected corporate strategy, just as the UFCO also transformed local politics and society.
