To Kill a Mockingbird, novel by Harper Lee, published in 1960. Enormously popular, it was translated into some 40 languages and sold more than 30 million copies worldwide. In 1961 it won a Pulitzer Prize. The novel was praised for its sensitive treatment of a child's awakening to racism and prejudice in the American South.

To Kill a Mockingbird | Summary, Characters, Movie ...

Harper Lee is the daughter of Amasa Coleman Lee, a lawyer who was by all accounts apparently rather like the hero-father of her novel in his sound citizenship and warmheartedness. The plot of To Kill a Mockingbird is based in part on his unsuccessful youthful defense of two African American men convicted of murder.

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, To Kill a Mockingbird. Originally written in the mid-1950s, Go Set a Watchman was the novel Harper Lee first submitted to her publishers before To Kill a Mockingbird. Assumed to have been lost, the manuscript was discovered in late 2014. Go Set a Watchman features many of the characters from To Kill a Mockingbird some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch:Scout'struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from To Kill a Mockingbird are adjusting to the turbulent events transforming mid-1950s America, Go Set a Watchman casts a fascinating new light on Harper Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South,and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father/a crusading local lawyer/risks everything to defend a black man unjustly accused of a terrible crime.

This "superbly written true-crime story" (Michael Lewis, The New York Times Book Review) masterfully brings together the tales of a serial killer in 1970s Alabama and of Harper Lee, the beloved author of To Kill a Mockingbird, who tried to write his story. Reverend Willie Maxwell was a rural preacher accused of murdering five of his family members, but with the help of a savvy lawyer, he escaped justice for years until a relative assassinated him at the funeral of his last victim. Despite hundreds of witnesses, Maxwell's murderer was acquitted--thanks to the same attorney who had previously defended the reverend himself. Sitting in the audience during the vigilante's trial was Harper Lee, who spent a year in town reporting on the Maxwell case and many more trying to finish the book she called The Reverend. Cep brings this remarkable story to life, from the horrifying murders to the courtroom drama to the racial politics of the Deep South, while offering a deeply moving portrait of one of our most revered writers.

In 1960, To Kill a Mockingbird was published to critical acclaim. To commemorate To Kill a Mockingbird's 50th anniversary, Michael J. Meyer has assembled a collection of new essays that celebrate this enduring work of American literature. These essays approach the novel from educational, legal, social, and thematic perspectives. Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch. An American classic that frequently appears in middle school and high school curriculums, the novel has been subjected to criticism for its subject matter and language. Still relevant and meaningful, To Kill a Mockingbird has nonetheless been under-appreciated by many critics. There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students. These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today. Intended for high school and undergraduate usage, as well as for teachers planning to use To Kill a Mockingbird in their classrooms, this collection will be a valuable resource for all teachers of American literature.

Who was the real Atticus Finch? A prize-winning historian reveals the man behind the legend The publication of Go Set a Watchman in 2015 forever changed how we think about Atticus Finch. Once seen as a paragon of decency, he was reduced to a small-town racist. How are we to understand this transformation? In Atticus Finch, historian Joseph Crespino draws on exclusive sources to reveal how Harper Lee's father provided the central inspiration for each of her books. A lawyer and newspaperman, A. C. Lee was a principled opponent of mob rule, yet he was also a racial paternalist. Harper Lee created the Atticus of Watchman who she felt toward white southerners like him. But when a militant segregationist movement arose that mocked his values, she revised the character in To Kill a Mockingbird to defend her father and to remind the South of its best traditions. A story of family and literature amid the upheavals of the twentieth century, Atticus Finch is essential to understanding Harper Lee, her novels, and her times.

Journalists have trekked to Harper Lee's hometown of Monroeville, Alabama, where she has lived with her sister Alice for decades, trying and failing to get an interview with the author. But in 2001, the Lee sisters opened their door to Chicago Tribune journalist Marja Mills. It was the beginning of a long conversation and a great friendship. In 2004, with the Lees' blessing, Mills moved in next door to the sisters and spent the next eighteen months there, sharing their lives as they slowly revealed their life stories and their love of literature and the South.

Harper Lee Collection E-book Bundle has descriptive copy which is not yet available from the Publisher.

Tom Santopietro, an author well-known for his writing about American popular culture, delves into the heart of the beloved classic and shows readers why To Kill a Mockingbird matters more today than ever before. With 40 million copies sold, To Kill a Mockingbird's poignant but clear eyed examination of human nature has cemented its status as a global classic. Tom Santopietro's new book, Why To Kill a Mockingbird Matters, takes a 360 degree look at the Mockingbird phenomenon both on page and screen. Santopietro traces the writing of To Kill a Mockingbird, the impact of the Pulitzer Prize, and investigates the claims that Lee's book is actually racist. Here for the first time is the full behind the scenes story regarding the creation of the 1962 film, one which entered the American consciousness in a way that few other films ever have. From the earliest casting sessions to the Oscars and the 50th Anniversary screening at the White House, Santopietro examines exactly what makes the movie and Gregory Peck's unforgettable performance as Atticus Finch so captivating. As Americans yearn for an end to divisiveness, there is no better time to look at the significance of Harper Lee's book, the film, and all that came after.

An extensively revised and updated edition of the bestselling biography of Harper Lee, reframed from the perspective of the recent publication of Lee's Go Set a Watchman To Kill a Mockingbird,the twentieth century's most widely read American novel'has sold thirty million copies and still sells a million yearly. In this in-depth biography, first published in 2006, Charles J. Shields brings to life the woman who gave us two of American literature's most unforgettable characters, Atticus Finch and his daughter, Scout. Years after its initial publication'with revisions throughout the book and a new epilogue'Shields finishes the story of Harper Lee's life, up to its end. There's her former agent getting her to transfer the copyright for To Kill a Mockingbird to him, the death of Lee's dear sister Alice, a fuller portrait of Lee's editor, Tay Hohoff, and'most vitally,the release of Lee's long-buried first novel and the ensuing public devouring of what has truly become the book of the year, if not the decade: Lee's Go Set a Watchman.

In an astonishing feat of literary detection, one of the most provocative critics of our time and the author of In the Freud Archives and The Purloined Clinic offers an elegantly reasoned meditation on the art of biography. In The Silent Woman, Janet Malcolm examines the biographies of Sylvia Plath to create a book not about Plath's life but about her afterlife: how her estranged husband, the poet Ted Hughes, as executor of her estate, tried to serve two masters:Plath's art and his own need for privacy; and how it fell to his sister, Olwyn Hughes, as literary agent for the estate, to protect him by limiting access to Plath's work. Even as Malcolm brings her skepticism to bear on the claims of biography to present the truth about a life, a portrait of Sylvia Plath emerges that gives us a sense of 'knowing' this tragic poet in a way we have never known her before. And she dispels forever the innocence with which most of us have approached the reading of any biography.
