For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

The definitive book on steak has never been written-until now "Of all the meats, only one merits its own structure. There is no such place as a lamb house or a pork house, but even a small town can have a steak house." So begins Mark Schatzker's ultimate carnivorous quest. Fed up with one too many mediocre steaks, the intrepid journalist set out to track down, define, and eat the perfect specimen. His journey takes him to all the legendary sites of steak excellence-Texas, France, Scotland, Italy, Japan, Argentina, and Idaho's Pahsimeroi Valley-where he discovers the lunatic lengths steak lovers will go to consume the perfect cut. After contemplating the merits of Black Angus, Kobe, Chianina, and the prehistoric aurochs-a breed revived by the Nazis after four hundred years of extinction-Schatzker adopts his own heifer, fattens her on fruit, acorns, and Persian walnuts, and then grapples with ambivalence when this near-pet appears on his plate. Reminiscent of both Bill Bryson's and Bill Buford's writing, Steak is a warm, humorous, and wide-ranging read that introduces a wonderful new travel and food writer to the common table.

1903. Thomas Nelson Page, author of short stories, novels, essays, and poetry, is best known for his role as literary spokesman for the glories of the Old South. Gordon Keith begins: Gordon Keith was the son of a gentleman. And this fact, like the cat the honest miller left to his youngest son, was his only patrimony. As in that case also, it stood to the possessor in the place of a good many other things. It helped him over many rough places. He carried it with him as a devoted Romanist wears a sacred scapular next to the heart. See other titles by this author available from Kessinger Publishing.
