So reasonably priced, every lector should have his or her own copy.~~

~~Anyone called upon to read from the Lectionary at Mass will appreciate LTP's Pronunciation Guide for the Lectionary. Like the first edition, it includes words from the full Lectionary for Mass-- Sundays, weekdays, ritual, and votive Masses. But LTP has added to this second edition the names of recently canonized saints for the United States and Canada and additional words suggested by readers. The easy-to-understand pronunciation aids have been updated. This resource will enrich anyone who reads, studies, and prays the Scriptures privately, but it will be especially helpful to liturgical ministers who proclaim the Word in the liturgy: readers, deacons, priests, and masters of ceremony. Knowing how to pronounce the words gives readers the confidence and freedom to be fully present to their ministries--to be a clear channel for God's Word to the assembly. Although readers who proclaim at Sunday Masses are usually assigned far ahead and expected to prepare their proclamations, weekday readers sometimes have less time to prepare. To make things more challenging, weekday readings often include difficult place names and personal names. Providing a copy of Pronunciation Guide for the Lectionary in the sacristy could be a great service to weekday readers--and to everyone else. Those who lead Bible study groups in parishes would also find this guide invaluable. Anyone who loves to read and discuss Scripture will want a copy handy at home.~~

~~Who should use this guide? Anyone who desires to pronounce the names of people and places in the Bible with confidence. Do you read passages of the Bible in public? This book is for you. In private devotions, do you gloss over the difficult names? This book is for you. This book was originally begun as a pronunciation guide for myself as I was recording the Douay-Rheims Audio Bible. When I was commissioned to do that work, I was surprised to find that there was apparently nothing currently in print specifically for the Douay-Rheims version that could help me to properly pronounce names of people and places. In order to expedite the narration, I began to compile a list of names and carefully researched pronunciations, and that list became the book that you now hold in your hands. Somewhere along the way, I decided to include the spellings and pronunciations of all the English translations I could find. As far as I know, every spelling of every name in every English translation of the Bible is included in this guide. Since the genesis of this guide was for the Douay-Rheims Audio Bible, which is a Catholic Bible, names included in the Apocrypha appear here as well. Great effort has been made to include every English Bible translation's names and places in this work. If the reader would be so kind as to write to me at [info@EasyBibleNamesGuide.com](mailto:info@EasyBibleNamesGuide.com) if the reader is aware of omissions, I will include additions in subsequent editions of this guide. It is important to note that in my research, I became aware of the fact that there are differing opinions on the correct pronunciations of many of the names contained in the Bible. Often there really is no one "correct" way to pronounce a specific name. Languages do morph over time, and pronunciations can change. This guide includes the generally accepted pronunciations in the United States in the year 2012.~~

~~Emphasizing both spiritual and practical preparation, this book will help both experienced and beginning lectors develop their understanding of the ministry of proclaiming the word of God as well as the skills needed to do it well. Wallace offers insight to various aspects of the lector's work (job, ministry, vocation), and reflects on the mystery of God who speaks to--and through--us in the Word. It includes an accessible explanation of important concepts related to the Lectionary and the liturgy, ideas for spiritual preparation before serving as lector, concrete guidance for ongoing skill development, and a handy pronunciation guide~~

~~From USCCB Publishing, this revision of the General Instruction of the Roman Missal (GIRM) seeks to promote more conscious, active, and full participation of the faithful in the mystery of the Eucharist. While the Missale Romanum contains the rite and prayers for Mass, the GIRM provides specific detail about each element of the Order of Mass as well as other information related to the Mass.~~

~~The most authoritative and easy-to-use Bible pronunciation guide available--for use with any version of the Bible in English.~~
