medicine came by its reputation.⁹ Tuberculosis, for instance, reached a peak over two generations. In New York in 1812, the death rate was estimated to be higher ... consistently been clouded by announcements from the American Cancer Society . medical nemesis. The . of . health . Medical ...

MEDICAL NEMESIS - Ivan Illich

It would integrate the most useful aspects of modern technology, including medical interventions, but submit these to democratic scrutiny. *Limits to Medicine* has much to say about psychiatry, and the current Pharma-driven mental health industry epitomises Illich's ever-expanding, technocratic monster. The idea that our discontents are a manifestation of faulty brains that can be abolished with sophisticated medical treatment is just the sort of illusion that Illich is responding to.

Limits to Medicine: re-visiting Ivan Illich | Joanna Moncrieff

Limits to Medicine: *Medical Nemesis : the Expropriation of Health*. Ivan Illich. M. Boyars, 1995 - Medical - 294 pages. 0 Reviews. So begins Ivan Illich's spirited and reasoned attack upon the mythic prestige of contemporary medicines, examining the customs and rituals conducted by the medical profession. Limits to Medicine: Medical Nemesis - The Expropriation of ...

This is alluded to in the title (with the medical field being the nemesis). Ultimately, Illich inspires one to ask questions and take personal charge in their well-being, something that is important because as I have directly experienced as a patient, medicine is not risk free, can happen very fast, and can be incomprehensible.

Limits to Medicine: Medical Nemesis: The Expropriation of ...

In his Medical Nemesis, first published in 1975, also known as Limits to Medicine, Illich subjected contemporary Western medicine to detailed attack. He argued that the medicalization in recent decades of so many of life's vicissitudes—birth and death, for example—frequently caused more harm than good and rendered many people in effect lifelong patients.
