Lincoln the man became Lincoln the hero, year by year more heroic, until today his figure grows ever dimmer, less real. This

Read Online Lincoln Sches And Writings 1832 1858

should not be. For Lincoln the man, patient, wise, set in a high resolve, is worth far more than Lincoln the hero, vaguely glorious. Invaluable is the example of the man, intangible that of the hero. And, though it is not for us, as for those who in awed stillness listened at Gettysburg with inspired perception, to know Abraham Lincoln, yet there is for us another way whereby we may attain such knowledge-through his words-uttered in all sincerity to those who loved or hated him. Cold, unsatisfying they may seem, these printed words, while we can yet speak with those who knew him, and look into eyes that once looked into his. But in truth it is here that we find his simple

Read Online Lincoln Sches And Writings 1832 1858

greatness, his great simplicity, and though no man tried less so to show his power, no man has so shown it more clearly. This is volume one out of two of his papers and writings, covering the years 1832-1859.

Abraham Lincoln measured the promise—and cost—of American freedom in lucid and extraordinarily moving prose, famous for its native wit, simple dignity of expressions, and peculiarly American flavor. This volume, with its companion, *Abraham Lincoln: Speeches and Writing 1859-1865*, comprises the most comprehensive selection ever published. over 240 speeches, letters, and drafts take Lincoln from rural law practice to

Library of America, and chart his emergence as an eloquent antislavery advocate and defender of the constitution. included are the complete Lincoln-Douglas debates, perhaps the most famous confrontation in American political history.

Spine title: Lincoln : speeches and writings, 1832-1858. On t.p.: Speeches, letters, and miscellaneous writings; the Lincoln-Douglas debates.

In modern times, some critics have belittled Abraham Lincoln's antislavery resolve as shallow. Some have portrayed him as a passive president, waiting upon the bold initiatives of others. 'Citizen Lincoln' regards him

Read Online Lincoln Sches And Writings 1832 1858

differently. First, it portrays Lincoln's animus against slavery as rooted in the highest ideals of the American Revolution, which he saw as being corrupted in his own time. Second, it analyses Lincoln's supposed 'passivity' as more aptly defined as wise caution. Lincoln learned as a legislator, first in Illinois and later in the United States Congress, that bold initiatives often backfire and fail to fulfil original intentions. In the state legislature, Lincoln supported a dramatic internal-improvements project that collapsed in the midst of a national depression. Lincoln also boldly opposed the Mexican War in Congress, only to see his cause evaporate as soon as a peace treaty was drafted with Mexico. In

Read Online Lincoln Sches And Writings 1832 1858

both instances, his timing was faulty. He had rushed into taking rigid policy positions when greater caution would have reaped better results. But in both instances, he learned lessons that would hold him in good stead later. Lincoln as president was wisely cautious, knowing that bold action could only disrupt the delicate coalition that kept the Union cause moving forward to victory. Harriet Beecher Stowe described Lincoln's unique strength as "swaying to every influence, yielding on this side and on that to popular needs, yet tenaciously and inflexibly bound to carry its great end". She wisely added that no other kind of strength could have seen the nation through the worst trial in

Read Online Lincoln Sches And Writings 1832 1858

its history. In filling this role, Abraham Lincoln fulfilled that which he had long regarded as his personal mission within the larger context of his nation's providential destiny.

Just who was Abraham Lincoln? How did he become one of the most admired persons who ever lived? What daily experiences lead him on the path to the Presidency of the United States of America at the most difficult time of its existence? Why is he the man visitors come streaming to discover in the heartland of central Illinois This work of Historical Fiction answers the question of what Lincolns daily life was like. By selecting 3 very different years and researching
