Buzzell unearths America's bones in all their beauty and starkness. And like the veterans of Hemingway's Lost Generation, he struggles to reconcile his wanderlust with his responsibilities as a man and a father. Lost in America is a stunning account of the ravages of war on one individual. It also reveals deep truths about a more universal journey: the struggle to find our place in the world—without a map.

Lost in America: A Dead-End Journey is Colby Buzzell's response to his publishers pitch to update an American classic. Instructed to retrace Kerouac's footsteps and paint a contemporary portrait of America and to write a love letter to Kerouac, Buzzell wholeheartedly agrees and immediately cashes the advance check.

Lost in America: A Dead-End Journey by Colby Buzzell

This is the story of Meyer Nudelman, who emigrated to America in search of a better life but ended with hard work, chronic sickness, poverty and trouble. Lost in America, indeed: to the end of his life, his main language remained Yiddish, supplemented by mangled English hidden behind a thick accent.

The last third of Lost in America—chronologically the era of World War II, the Nazi atrocities, and after—concern Nuland's maturation and his path toward the profession of medicine. As he and his brother, Harvey, were contemplating a future in the world of Gentiles, they decided to change their last name from Nudelman to Nuland.

Lost in America: A Journey with My Father

"Lost in America" is Nuland's attempt to secure an understanding of his immigrant father, rather than the escape he long sought as a young man. With unflinching realism, honest assessments, and just enough humor to balance the text, Nuland movingly portrays his love/hate relationship with his father as he grows up in a Jewish section of the Bronx through his father's solitary death after Nuland has become a physician.
