M12M Timing GPS ReceiverGreg Banig2020-03-09T18:17:08+00:00. Project Description. M12M Timing GPS Receiver. Designed by Motorola, and manufactured by iLotus, the M12M remains the only true replacement to the original M12+ receiver using Motorola's precision timing firmware. The 3 VDC M12M has the same "form, fit, function" as the M12+ including mechanical dimensions, connector locations and communication commands.
