Machine tools are the main production factor for many industrial applications in many important sectors. Recent developments in new motion devices and numerical control have lead to considerable technological improvements in machine tools. The use of five-axis machining centers has also spread, resulting in reductions in set-up and lead times. As a consequence, feed rates, cutting speed and chip section increased, whilst accuracy and precision have improved as well. Additionally, new cutting tools have been developed, combining tough substrates, optimal geometries and wear resistant coatings. “Machine Tools for High Performance Machining” describes in depth several aspects of machine structures, machine elements and control, and application. The basics, models and functions of each

aspect are explained by experts from both academia and industry. Postgraduates, researchers and end users will all find this book an essential reference.

Machining dynamics play an essential role in the performance of the machine tools and machining processes which directly affect the removal rate, workpiece surface quality and dimensional and form accuracy. *Machining Dynamics: Fundamentals and Applications* will be bought by advanced undergraduate and postgraduate students studying manufacturing engineering and machining technology in addition to manufacturing engineers, production supervisors, planning and application engineers, and designers.

America is in the midst of a cultural and constitutional law crisis that began more than sixty years ago and was further exacerbated by the 2015 Supreme Court same-sex marriage decision. How did we become a culture that lacks objective morality and embraces secular ideas, hinging on the majority whim of nine justices? How do we get back to being a biblically moral, upright society and recognizing the U.S. Constitution as supreme law of the land? In *The Legal Basis for a Moral Constitution*, Jenna Ellis makes a compelling case for the true roots of America's Founding Documents in objective morality and how our system of government is founded upon the Christian worldview and God's unchanging law, not a secular humanist worldview. She provides a unique perspective of the Founding Fathers as lawyers and how they understood the legitimate authority of biblical truth and appealed directly to God's law for the foundation of America. Weaving together the legal history and underpinning worldview shifts in American culture, Ellis advocates how Christians must change the basic reasoning of our appeal and effectively engage our culture. Finally, she proposes the solution to reclaim objective, biblical morality in law that the Founders themselves provided for through Article V of the U.S. Constitution. This book is for every Christian who seeks to understand the times and our constitutional and cultural crisis.

David Hoffmeister uses seven mind-expanding movies as modern-day parables to guide you into an experience of Quantum Forgiveness. Take forgiveness as taught by Jesus 2,000 years ago, the science of the material universe as understood by Quantum Physics, and movie-watching as a spiritual tool. Combine that with the clarity of mystic David Hoffmeister, a world-renowned teacher of *A Course in Miracles*, and you have an insightful and original book for *Awakening to permanent Peace*. David's practical application of these non-dual teachings necessary to experience the Unified Mind and his clarity about the function of True Forgiveness in spiritual awakening, allow us to accept Rumi's invitation into a field of pure potential! "Out beyond ideas of wrongdoing and rightdoing there is a field. I'll meet you there." ~ *The Essential Rumi* "David Hoffmeister is a beautiful teacher of *A Course in Miracles*. In his new book, *Quantum Forgiveness: Physics, Meet Jesus*, he offers a unique and powerful pathway for transcending fear and strengthening your miracle mindset. I recommend this book to anyone on a committed spiritual path. I absolutely adore David and all of his work!" ~ Gabrielle Bernstein, *New York Times* best-selling author of *Miracles Now*

The author of the best-selling and universally adored No. 1 *Ladies' Detective Agency* series now gives us *The Forever Girl*, a novel about love and following one's heart, and the unexpected places to which this can lead us. Amanda and her husband, David, feel fortunate to be raising their son and daughter in the close-knit community of ex-pats on Grand Cayman Island, an idyllic place for children to grow up. Their firstborn, Sally, has always listened to her heart, deciding at age four that she would rather be called Clover and then, a few years later, falling in love with her best friend, James. But the comforting embrace of island life can become claustrophobic for adults, especially when they are faced with difficult situations. At the same time that Clover falls in love with James, Amanda realizes that she has fallen out of love with David . . . and that she is interested in someone else. While Amanda tries to navigate the new path her heart is leading her down, Clover finds, much to her dismay, that James seems to be growing away from her. And when they leave the island for boarding school—James to England and

Clover to Scotland—she feels she may have lost him for good. As Clover moves on to university, seldom seeing James but always carrying him in her heart, she finds herself torn between a desire to go forward with her life and the old feelings that she just can't shed. Through the lives of Clover and James, and Amanda and David, acclaimed storyteller Alexander McCall Smith tells a tale full of love and heartbreak, humor and melancholy, that beautifully demonstrates the myriad ways in which love shapes our lives. This eBook edition includes a Reading Group Guide.

The teachings in this book have helped hundreds of thousands of people gain a deeper appreciation for Jesus's teachings about the mystical path that he taught 2,000 years ago and that he still teaches today for those who are able to make an inner connection with him. Today many people cannot find a lasting heart connection to the real Jesus and his teachings because, according to most Christian churches, Jesus no longer talks to us. In reality, Jesus is a spiritual being and he is working to help all people who are able to raise their consciousness and attune to his Presence. For the past 2,000 years he has maintained a line of communication through those who have been willing to serve as messengers for his Living Word and who have pursued an understanding of his true message instead of settling for official Christian doctrines. In this book, the ascended Jesus reveals the mystical teachings that he gave to his most advanced disciples. He explains why his true teachings are as relevant today as they were two millennia ago and how you can develop a personal relationship with him—one of the most remarkable spiritual teachers of all time. Once you admit that mainstream religious traditions have not answered your questions about life, it is truly liberating to read the profound and meaningful answers in this book. Encouraging, moving and profound, this enlightening book will help you attain inner attunement with Jesus, even mystical union with him. You will learn how to: -recognize the silent, inner voice of Christ in your heart -achieve permanent inner peace and happiness by getting connected with the Christ Consciousness -heal yourself from emotional wounds -get guidance from Jesus, who is your greatest teacher and friend -communicate directly with Jesus"

Written by a world-renowned teacher of A Course in Miracles, this book reveals the profound power of the present moment and shows how tapping into it using practical insights and simple exercises can fortify your spirit against fear, break down perceived limitations and your sense of separation, and help you manifest a life of joy, oneness, and serenity. We all feel isolated and afraid sometimes, but the truth is, we're never really alone. Indeed, as author and spiritual teacher David Hoffmeister points out, it is the deeply ingrained belief that you are separate from everything—that you're on your own, there is reason to be afraid, and you might not be worthy—that prevents you from living the joyful life you long for. So, how can you begin to untangle the thoughts and feelings that keep you trapped in your own egoic fears? *This Moment Is Your Miracle* addresses this painful yet widespread belief in separation, peeling back the layers of misperception to uncover the divine oneness at the heart of reality, through which we are all connected. You'll find spiritual practices and tools to help you awaken from the nightmare of fear and isolation, and practical ways to cultivate acceptance, forgiveness, healing, and trust—for healing yourself, your relationships, and the world. With this book as your guide, you'll learn how to trust your inner guidance and accept life's miracles, and find true freedom and peace of mind. There has never been a better time than now.
