Seeing is believing... Do you question whether Jesus truly appears to people today? Do you long to see Him for yourself? Why Jesus Appears to People is an intimate, modern-day account of the author's personal experiences seeing Jesus. It is also an introduction into a lifestyle that positions you for the same encounters. But Jesus came and touched them and said, "Arise, and do not be afraid." When they had lifted up their eyes, they saw no one but Jesus only (Matthew 17:7-8). Being saturated in the Word of God is a gateway into supernatural visitations with Jesus, both in Heaven and on earth—in dreams and in visions. To see Jesus is to be transformed. Why Jesus Appears to People positions you for living a supernaturally transformed life. Also discussed are the traps of Satan to fool people—but there are ways you can discern his tactics. And when I saw Him, I fell at His feet as dead. But He laid His right hand on me, saying to me, "Do not be afraid; I am the First and the Last" (Revelation 1:17). You will be strongly inspired and encouraged knowing that Jesus has not changed. He greatly desires to appear to people today—to enhance and bring love and peace into their lives, your life.

A purpose-based approach to connecting in friendship.

Larry Swedroe, the author of *The Only Guide to a Winning Investment Strategy You'll Ever Need*, has collaborated with Joe H. Hempen to create an up-to-date book on how to invest in today's bond market that covers a range of issues pertinent to any bond investor today including: bond-speak, the risks of fixed income investing, mortgage-backed securities, and municipal bonds. *The Only Guide to a Winning Bond Strategy You'll Ever Need* is a no-nonsense handbook with all the information necessary to design and construct your fixed income portfolio. In this day and age of shaky stocks and economic unpredictability, *The Only Guide to a Winning Bond Strategy You'll Ever Need* is a crucial tool for any investor looking to safeguard their money.

Emily Harrington returns to the Caribbean where she is reunited with old friends, romance . . . and murder When Emily Harrington heads back to Aruba for the wedding of Annie and Martin Maitland's daughter, Sarah, in the stunning coastal resort of Island Bluffs, she is soon reunited with old friends, including Chief Inspector Thomas Moller, and makes new ones too. But the morning after the wedding, the body of a beautiful young girl washes up on Manchebo Beach. The police have little to go on except for a gold bangle bracelet on her wrist. Will it lead them to her murderer? As the mystery of the bracelet is unravelled, Emily finds herself plunged into danger again.

A black teenage lesbian finds herself stranded in a dangerous and unfamiliar place: an all-white Christian youth backpacking camp.

This Is Us for teens, this luminous and heartbreaking contemporary novel follows a girl caught between two brothers as the three of them navigate family, loss, and love over the course of two summers. For fans of *Far From the Tree*, *Emergency Contact*, and *Nina LaCour*. Before she kissed one of the Cohen boys, seventeen-year-old Jessi Rumfield knew what it was like to have a family—even if, technically, that family didn't belong to her. She'd spent her childhood in the house next door, challenging Rowan Cohen to tennis matches while his older brother, Luke, studied in the background and Mel watched over the three like the mother Jessi always wished she had. But then everything changed. It's been almost a year since Jessi last visited the Cohen house. Rowan is gone. Mel is in remission and Luke hates Jessi for the role she played in breaking his family apart. Now Jessi spends her days at a dead-end summer job avoiding her real mother, who suddenly wants to play a role in Jessi's life after being absent for so long. But when Luke comes home from college, it's hard to ignore the past. And when he asks Jessi to pretend to be his girlfriend for the final months of Mel's life, Jessi finds herself drawn back into the world of the Cohens. Everything's changed, but Jessi can't help wanting to be a Cohen, even if it means playing pretend for one final summer.

Live and let drive. This bespoke, collector's edition is presented in a slip case, and features an envelope of exclusive posters and documents from the EON Bond archives. *Bond Cars: The Definitive History* is a lavish celebration of the cars that also became the stars alongside the world's most famous fictional spy. Featuring exclusive and priceless assets such as the original call sheets, technical drawings and story-boards, accompanied by previously unpublished photography and exclusive interviews, we put you behind the wheel of every car driven by 007 on film. With insights from the producers and keepers of the Bond flame, Michael G. Wilson and Barbara Broccoli as well as Daniel Craig and special effects and action vehicles supervisor and veteran of 15 Bond films, Chris Corbould, this is the story of cinema's greatest icon, told through the prism of the legendary cars he has driven.

When a person lives a holy life it makes the Gifts of the Holy Spirit and the influence of God easy to flow from them.
