Do you know anything about human anatomy? Do you think you could pass this quiz? Human anatomy is the study of the parts of the human body. It entails learning about the structure and relationship between two body parts. It also involves both gross anatomy and microscopic anatomy. Gross anatomy can be seen with the bare eye. Take this quiz and learn more about general anatomy.

Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Content has been updated within each chapter with a major focus on the procedures, infection control, life skills and business chapters, just to name a few. In addition, classic techniques have been paired with contemporary looks to ensure success both while in school and beyond to employment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A visual demonstration of the step-by-step procedures followed for three different services: virgin hair relaxer application, relaxer retouch, and soft curl permanent waving. Individual procedures include hair examination, strand testing, client protection, product formulation, processing and neutralizing.

Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than $6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.

This supplement tests students' knowledge of how they should apply the information they have learned to real-life situations. This text asks that the apply that knowledge to situations that more closely reflect what they are likely to encounter as a salon employee, demonstrating that they know how to use the information they have learned. The questions are more complex than Exam Review questions, often describing a salon stylist or other professional who has a client with a combination of conditions, problems or attitudes. The student will have to take desired results, both from a technical and a communication perspective. Answers are included in the back of the book.

Provides questions and answers similar to what is found on state licensing exams in cosmetology.

For decades, Milady has been known as the premier source for beauty and wellness education. Now we have taken that reputation one step further with the brand-new Milady Standard Makeup. This cutting-edge addition to the Milady Standard offerings is aimed at anyone and everyone with a passion and desire for becoming a makeup artist or working in the world of makeup. Milady Standard Makeup is a full-color text, packed with more than 800 photos and illustrations, covering everything from anatomy and physiology to color theory, product types and tools. Step-by-step procedures lead the reader through various looks including bridal, prom, and high-fashion applications. Readers will also learn how to create natural looks and deal with particular skin types such as mature and acne-prone skin. Milady Standard Makeup is destined to establish itself as the foundational textbook in its field, essential for every makeup artist with an eye towards success in this rapidly expanding and dynamic industry. Creating a salon or spa from scratch can be a daunting task. Successful Salon and Spa Management, Sixth Edition cuts through the confusion and provides you with a clear understanding of what it takes to run a salon or spa. From understanding the differences in what type of salon or spa you want to open, all the way through financing and operating for profit, you will learn the ins and outs of building a business and keeping it productive. Whether you are a student or a practicing professional, Successful Salon Management, Sixth Edition will put your on the right track to salon ownership and profitability. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Since 1938, the Milady Standard Cosmetology has been the premier textbook for Cosmetology education. Each subsequent edition has evolved with the changing styles of the era while maintaining a firm foundation in the basic procedures and applications of beauty culture that have endured for generations. Building upon the strong pedagogical features of previous editions, the Milady Standard Cosmetology 2012 is vibrant and colorful to capture the visual learner's interest and focus their attention on the subject matter which is the cornerstone of their education. The Milady Standard Cosmetology 2012 textbook takes advantage of the most sophisticated methods for relaying information, stimulating thought, aiding comprehension, and enhancing retention. This new edition contains a completely revised section on infection control principles and practices, new procedures, and revised and updated chapters written by industry experts, as well as step-by-step procedures demonstrated specifically for left-handed individuals. Educators and students have access to over twenty instructor tools and student supplements which greatly increase the chances for student success and make lesson planning simple. Each supplement has been tailored to fit the exact needs of the cosmetology student and match the changes made to the new edition. The Milady Standard Cosmetology 2012 is the basis for your students' success during their education and will continue to be a valuable resource as they progress through their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.
