Hiyaku: An Intermediate Japanese Course provides a progressive intermediate course in Japanese, incorporating modern teaching methods and practicing all four language skills. Hiyaku provides content-based instruction, with authentic and semi-authentic dialogues and readings, all carefully selected to instruct and inspire students as they learn Japanese. Key features of the textbook include: highly structured chapters, beginning with warm-up exercises followed by focused practice of each of the four skills gradual introduction to increasingly authentic materials content taken from original Japanese sources such as books, TV programs, magazines, newspapers and websites extensive audio material provided as FREE MP3 files on a companion website instructor's materials, including PowerPoint files provided through the companion website. Hiyaku does not simply teach language and basic cultural points: it also helps students gain a holistic understanding of Japanese society and history, and provides the necessary foundation for the advanced study of Japan and its language.

Genkouyoushi Notebook - Kanji and Kana Characters Writing Practice Book This stylish traditional notebook style workbook contains 120 pages of kanji paper, also known as genkouyoushi paper. Each large square holds one character and each square is divided into four quadrants to guide the correct positioning of the elements of each character. This

notebook is ideal for both adults and children who are learning Japanese and need to practice the written language. Size: 8.5 x 11 in. 120 Pages of Kanji Paper Premium matte finish soft cover Printed on white paper

Over 50,000 entries provide equivalents for Japanese and English words, idioms, phrases, and common expressions

A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script—and hearing native-speakers read them aloud in the accompanying free audio recording—helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way—through the country's rich literary history.

## Read Online Minna No Nihongo 2 Livre De Kanji

This book enables you to easily recognize the 500 most essential Japanese Kanji—and to memorize their readings and meanings quickly and easily! This book teaches an innovative new method to learn the basic 500 Japanese characters—teaching you how to easily recognize the Kanji and to remember their readings and meanings. Learning to read Japanese and write Japanese requires knowing hundreds of Kanji. Traditionally, the ability to learn Kanji characters was accomplished purely by rote memorization. This method is extremely slow, tedious and time-consuming. The new science of mnemonics has changed all that. By associating an easily-remembered visual image and story with each Kanji, the learner is able to commit the characters to long-term memory far more easily and quickly than ever before. mnemonics also dramatically helps students to write kanji as well. This revolutionary new method has been tried by many thousands of students and it really works! Using a systematic building-block approach to written Japanese, this beginner kanji book also shows you how more complicated characters are constructed from simpler elements. And similar mnemonic strategies are provided for learning the different pronunciations or "readings" of the characters. Use the downloadable audio recordings by Japanese native speakers to perfect your pronunciation. It also provides a unique interactive software program showing you how to write each character and allowing you to write it yourself on screen! This book can be used by anyone, and requires no prior knowledge of the Japanese language. It can be used in conjunction with any Japanese textbook to learn the important Kanji characters upon which the language is based. Key features of this book include: Drawings and stories to create mental associations for the characters that stick in the brain and allow you to recall their meanings and readings.

## Read Online Minna No Nihongo 2 Livre De Kanji

Downloadable content shows you how to write each kanji character Native speaker audio recordings for all the Kanji characters, vocabulary and sample sentences. Sample sentences to expand your vocabulary by showing you how the Kanji are actually used. Extensive review exercises to reinforce what you've learned. User-friendly indexes allowing you to look up the Kanji and use the book like a Kanji dictionary. The 500 Kanji characters provided in this book include all the characters needed for the AP and JLPT Level 4 and 5 exams giving you access to approximately 80 percent of all the Kanji characters you encounter in Japan!

This state-of-the-art exploration of language, culture, and identity is orchestrated through prominent scholars and teachers' narratives, each weaving together three elements: a personal account based on one or more memorable or critical incidents that occurred in the course of learning or using a second or foreign language; an interpretation of the incidents highlighting their impact in terms of culture, identity, and language; the connections between the experiences and observations of the author and existing literature on language, culture and identity. What makes this book stand out is the way in which authors meld traditional academic approaches to inquiry with their own personalized voices. This opens a window on different ways of viewing and doing research in Applied Linguistics and TESOL. What gives the book its power is the compelling nature of the narratives themselves. Telling stories is a fundamental way of representing and making sense of the human condition. These stories unpack, in an accessible but rigorous fashion, complex socio-cultural constructs of culture, identity, the self and other, and reflexivity, and offer a way into these constructs for teachers, teachers in preparation and neophyte researchers. Contributors from around the world give the
