Pell's equation is part of a central area of algebraic number theory that treats quadratic forms and the structure of the rings of integers in algebraic number fields. It is an ideal topic to lead college students, as well as some talented and motivated high school students, to a better appreciation of the power of mathematical technique. Even at the specific level of quadratic diophantine equations, there are unsolved problems, and the higher degree analogues of Pell's equation, particularly beyond the third, do not appear to have been well studied. In this focused exercise book, the topic is motivated and developed through sections of exercises which will allow the readers to recreate known theory and provide a focus for their algebraic practice. There are several explorations that encourage the reader to embark on their own research. A high school background in mathematics is all that is needed to get into this book, and teachers and others interested in mathematics who do not have (or have forgotten) a background in advanced mathematics may find that it is a suitable vehicle for keeping up an independent interest in the subject.

She wasn't looking for love, but love found her...while vacationing on the sunny island of Jamaica. With mixed emotions, Jessica Mills can't wait to escape to the Caribbean--away from an arranged marriage agreement to honor her new found heritage. She is to meet her potential groom-to-be in two weeks. She finally books her long-awaited vacation to a resort in Jamaica only to be double booked in the same suite as a gorgeous, irresistible stranger--who happens to get under her skin. Sexy, undercover billionaire, James Carrington has more on his mind than relationships. On the verge of making an important business decision that can affect his entire future and everything he's worked for, he goes to Jamaica to think and indulge in recreational activities. He did not count on having a beautiful brunette in his suite--a pleasant but ill-timed distraction. There's no mistaking the sparks that fly between Jessica and James at one of the island's hottest resorts. But Jessica is betrothed to someone else...which direction will her heart follow?

The Salamanders attempt a daring rescue mission deep in Dark Eldar territory in order to reveal more secrets held within the Tome of Fire. When Chaplain Elysius of the Salamanders is taken captive by Dark Eldar, he faces a fight for survival at the hands of these cruel aliens. The Firedrakes of 1st Company attempt a daring rescue mission, but much more is at stake than the Chaplain's life. He holds the key to secrets buried beneath Mount Deathfire, secrets that could reveal the damnation or salvation of their home world.
