those based in authoritarian countries, may be created or controlled by governments.

~~Non-governmental organization - Britannica~~

Non-governmental organizations play a vital role in the shaping and implementation of participatory democracy. Their credibility lies in the responsible and constructive role they play in society. Formal and informal organizations, as well as grass-roots movements, can be recognized as partners in the implementation of People's Agenda 21.

~~The Role of Non Governmental Organizations ...~~

Although the term "non-governmental organization" implies independence from governments, many NGOs depend on government funding; one-fourth of Oxfam's US\$162 million 1998 income was donated by the British government and the EU, and World Vision United States collected \$55 million worth of goods in 1998 from the American government. Several EU grants provide funds accessible to NGOs.

~~Non-governmental organization - Wikipedia~~

A non-governmental organization (NGO) is an organization that is not part of a government and was not founded by states. NGOs are therefore typically independent of governments.
