Out of Our Minds - Learning to Be Creative 2E: Amazon.co ...

In this extensively revised and updated version of his bestselling classic, Out of Our Minds, Ken Robinson offers a groundbreaking approach to understanding creativity in education and in business. He argues that people and organizations everywhere are dealing with problems that originate in schools and universities and that many people leave education with no idea at all of their real creative abilities.

Out of Our Minds: Learning to be Creative eBook: Robinson ...

After listening to Robinson's arguments about how our minds work and how our education, upbringing and work environment can sometimes massively go against that, it's almost as if a veil is lifted from your eyes. An amazing read to support some very famous work (those not yet familiar with his TED speeches should definitely look them up).
