Looks at mediation as it can be applied to resolving community and neighbourhood disputes. The book covers the history and theory of mediation practices before looking at how these can work in practice by analyzing the mediation process and examining detailed case studies. It goes on to look at the organizational structures which allow these processes to be delivered, from model structures and services to advice on recruitment and training. The book also examines practical issues such as the importance of equal opportunities in community mediation schemes, how to maintain standards and get accreditation, and how to maintain cost-effectiveness.

This book uncovers the distinguishing factors, advantages and disadvantages of the various processes in alternative dispute resolution. Chapter concepts are illustrated by examples and examples are followed by problem-solving activities that give opportunities to find potential solutions and develop reasoning abilities. Judicial options explore more difficult concepts, showing how the courts handle dispute resolution issues when the outcome is not certain. Web sites are cited for those seeking additional information, and a glossary and extensive index provide quick references. This second edition guides principals through the process of creating a proactive, student-centered school safety program and offers new case studies, vignettes, and strategies.

Playing with Fire is a structured manual and training programme to help youth and conflict practitioners work with young people caught up in conflict and violence. All aspects of conflict are covered, from the initial igniting spark to the roaring blaze. The manual includes ideas and session plans that can be adapted to the needs of a particular group. Sessions include exercises and activities that explore situations of conflict, develop skills to deal with them, and rehearse techniques for future use. The training section outlines how to deliver the programme, including how to use role-play and work constructively with conflict in the training room. This second edition includes new sessions on working with issues of identity and prejudice and working with wider community issues, as well as new exercises and activities. Appendices include alternative session plans and ideas on games and group work exercises. This is a valuable guide for youth practitioners and all those working with young people who face conflict or violence.

Exploring and critiquing various methods of mediation, this innovative book critically develops a new explorative practice in the field. Considering ways in which mediators may influence disputing parties, especially in the workplace where mediators are paid to intervene, *Explorative Mediation at Work* questions the common claim that mediation is a neutral intervention. The difference between offering minimally intrusive support and acting to secure a containment and even suppression of workplace conflict is heavily dependent upon a mediator's practices. At worst, engineering resolution may tarnish mediation's reputation for impartiality. At best, mediation can win the trust of parties in conflict, facilitate a democratic engagement and be of real benefit to organizations. This book aims to demonstrate the latter in proposing a practice that supports parties to seek out dialogue from which relationships may be rebuilt and practical problems resolved.

Looks at the Americans with Disabilities Act (ADA) enforcement activities from 1990 to 1999 of 4 key Fed. agencies: the Justice Dept., the EEOC, the Transportation Dept., & the FCC. Reveals that while the Administration has consistently asserted its strong support for the civil rights of people with disabilities, the Fed. agencies charged with enforcement & policy development under ADA have, to varying degrees, been underfunded, overly cautious, reactive, & lacking any coherent & unifying national strategy. In addition, enforce. agencies have not taken leadership roles in clarifying frontier or emergent issues. Provides a blueprint for addressing these shortcomings.
