Sammy is a young flying squirrel who lives in a big oak tree in the forest with his parents and siblings. Unfortunately, there is one problem. Sammy is scared to fly. Even worse yet, he is too scared to tell anyone he is afraid. After Sammy makes friends with another squirrel, Sarah, they play together, day after day. Sammy is in no hurry to learn to fly, especially since he is having so much fun with Sarah. As Sammy and Sarah scamper, roll, and play on the forest floor, they have no idea that another animal is lurking in the bushes, just waiting to pounce. But everything is about to change when Sarah has an accident. Can Sammy overcome his big fear and save her, before it is too late? In this charming children's tale, a young flying squirrel must overcome a giant fear in order to rescue his new best friend from a terrible fate.

Shirley the responsible leader follows Silly Sam the always zany, fearless squirrel, on an adventure after finding a treasure map. They discover a lost city of animals. These animals tell their stories of how they escaped a military genetics' lab and their fight of survival against their arch nemesis Cirus the hawk. After a terrible event Silly Sam is called upon Aleric, the leader of the lost squirrels to defeat the Hawks once and for all.

Sammy, a young squirrel, lives in a pecan tree with his mother, his father, and his two sisters. He and his best friend, Aiden, both love to play. But more than anything, Sammy loves karate, something that he learned about from watching Aaron, a little boy who lives in a house near the tree. Sammy dreams of becoming a black belt. But his mother reminds him that squirrels must find nuts and food and always be sure to take good care of their family. Squirrels, after all, don't do karate. Sammy asks his rabbit friend, Brycen, to help him in his quest to learn karate. He practices and practices, but what he doesn't know is that he may need that skill sooner than he thinks! In this fun and exciting adventure, a brave squirrel learns about relying on friends for help, being brave, and doing what needs to be done-even when you're scared.

Samuel Wellington Squirrel is a dreamer; instead of learning to build a nest, he spends his time listening to Mr. Owl tell stories of heroes and villains. Mother Squirrel has taught Sammy to be brave, not to fear lightning and thunder and rain. So when Buckskin, the neighborhood bad boy, dares Sammy to hop onto a moving van parked nearby and check it out for food, Sammy ignores the consequences of what can happen, proving to Buckskin that he's not afraid of anything. What happened next was unexpected: A man climbs down from the cab of the moving van, walks around to the back of the truck, presses a button and BAM the hatch door starts to close while Sammy is still inside. Suddenly, daylight disappears before his very eyes and Sammy learns too late that he is trapped. And so begins Sammy's HOMEBOUND adventure. Sammy wakes up a day later in a town called Pinegrove. Word spreads like wild fire that a black squirrel, a stranger, from a distant land has come to town. This is not good. Black squirrels are NOT welcomed in Pinegrove. Sammy earns respect when he beats the town's favorite "son" in a grueling race. He's adopted by Harry and Henrietta, pillars of the squirrel community, who love him like a son. For a time, everything is hunky dory. Sammy makes many new friends. Anything he wants, he may have. No reason for Sammy to be unhappy. But deep down, he is not happy. He longs for his home in the Great Maple; he misses his lifelong friend, Jimmy; and most of all, he misses his mom and dad. He sets out for home in the North Country with a husky named Charlie and a gray squirrel name Rocky--- the same squirrel he beat in the race. On the journey North, they meet up with Baxter, a bald eagle, and Princess, an orphan fawn who witnessed the killing of her mother by unscrupulous hunters. On their journey, The Fab Five rescue a bear cub from certain death during a snow storm. They fight a pack of wolves. Charlie, the husky, saves Princess from drowning when she falls into raging rapids. Sammy rescues a bunch of small animals who were snatched by an "autistic" bear who claims he doesn't mean to harm the little animals, that he's just lonely and only wants to make friends. On the last leg of their journey, The Fab Five meet Betsy, a golden retriever, who guides Sammy and his friends home. They arrive home in Centerville on Christmas Eve. It's snowing. Boys and girls from the neighborhood are singing Christmas carols beneath Sammy's nest in the Great Maple. At last, Sammy is home with his mom and dad, and all is well that's ends well.

A squirrel named Sammy always dreamed of being a star football player but was told he would never be able to play because he was too little. When the team is in a pinch Sammy steps up to help the team and saves the day.

If you know me, you know about my love of the critters that come visit me almost every day. Of course, I am closest to my sweet friend, "Little squirrel" that visits me every night at 5:00pm for his peanuts. The minute he hears me shake the peanut bag he knows it is "din din" time and all but trips over his own little paws to get to the tree where I place the peanuts on a concrete block that sits at the bottom of his tree! He loves watching me as much as I enjoy watching him! I also have 2 feral cats; a little gray kitten and a big ole' long haired black cat with a white chest that looks very handsome and formal in his "tuxedo" when he comes to eat each day. He always looks like he is bored with life when he looks at me with his large deep set orange eyes. Little gray kitten just loves picking on him too! These two are so funny! They always

keep me amused. Oh! I have the cutest bunny ever that hops through my side yard every day (especially when we plant our garden!). My bunny is so adorable! He looks just like a precious brown and white Easter Bunny! And I can't forget my redheaded woodpecker. He is HUGE! He is either up in a tree pecking on the bark, or working on the tree stump in our side yard; helping us take it to the ground. He is a handy fellow to have around! With this being said, the sweet little characters in my book are written after real ones that visit me each day in my yard. They make my front porch my happy place! I hope you enjoy reading "OH My Little Squirrel" and following my Little squirrel's adventures as much as I enjoyed writing about them!

Even a Blind Squirrel Finds a Nut Now and Then is a delightful coming of age story about a squirrel named Sam who learns to care for others in a unique way. Andre Norton Award finalist Jenn Reese explores the often thin line between magic and reality, light and darkness in her enchanting middle grade standalone. "Brings to life, viscerally, what it is like to live in fear of abuse—even after the abuse itself is over. But there is magic here too, and the promise of a better future that comes with learning to let people who care about you into your world." —Alan Gratz, New York Times bestselling author of Refugee "A captivating and touching story... both whimsical and emotionally—sometimes frighteningly—compelling." —Ingrid Law, Newbery Honor-winning author of Savvy "Magically creative and deeply honest, A Game of Fox & Squirrels merges games and grimness in a fantasy tale that tells the truth." —Elana K. Arnold, Printz Honor-winning author of Damsel and A Boy Called Bat After an incident shatters their family, eleven-year old Samantha and her older sister Caitlin are sent to live in rural Oregon with an aunt they've never met. Sam wants nothing more than to go back to the way things were... before she spoke up about their father's anger. When Aunt Vicky gives Sam a mysterious card game called "A Game of Fox & Squirrels," Sam falls in love with the animal characters, especially the charming trickster fox, Ashander. Then one day Ashander shows up in Sam's room and offers her an adventure and a promise: find the Golden Acorn, and Sam can have anything she desires. But the fox is hiding rules that Sam isn't prepared for, and her new home feels more tempting than she'd ever expected. As Sam is swept up in the dangerous quest, the line between magic and reality grows thin. If she makes the wrong move, she'll lose far more than just a game. Perfect for fans of Barbara O'Connor, Lauren Wolk, and Ali Benjamin, A Game of Fox & Squirrels is a stunning, heartbreaking novel about a girl who finds the light in the darkness... and ultimately discovers the true meaning of home.

Rosinante, Don Quixotes brave but weary steed, trades stories for oats and an occasional beer. Her fables are told to Sally Netzel, who translates roughly from the Horse-Spanish. They range from light humor to serious satire, all told with gusto if far too much alliteration. Illustrations are provided by Liz Netzel, a relative with a compatible sense of the absurd. The familiar tortoise and hare race ends with an ambivalent moral, if any. The other totally unfamiliar tales portray creatures such as vultures dismayed at their reputation, hyenas protective of their volcanic neighborhood, a love-lorn woodpecker who projects loudly-pecked personals, bats who witness a miracle, and a battle-scared badger who delights in war stories of his athletic triumphs.
