"Joe has a beautiful house, a great job, no commitments--and he likes it like that. All he needs is a quiet house sitter for his rambling old place by the sea. When Tess turns up on his doorstep, he's not sure she's right for the job. Where has she come from in such a hurry? Her past is blank, and she's a bit of an enigma. But there's something about her--even though sparks fly every time they meet. And it looks like she's here to stay..."--P. [4] of cover.

"Darkly funny and sexy-literary escapism at its finest." -Independent By day, Petra Flint is a talented jeweler working in a lively London studio. By night, she's a sleepwalker troubled by a past she can't put to bed and a present that leaves her clinging to an unsuitable boyfriend. Arlo Savidge was once a budding heartthrob musician. Then tragedy struck and he chose to forsake stardom and all future affairs of the heart for a quiet life in the countryside as a music teacher. Petra and Arlo haven't seen each other since they were teenagers-when their feelings ran deep but the timing wasn't right. Now, seventeen years later, they run into each other once more. Might first love get a second chance-or will what keeps them up at night keep them apart forever? Praise for Pillow Talk "I defy anyone who doesn't fall in love with it." -Glamour "Warm, sexy, satisfying." -Heat "North charts the emotional turmoil with a sexy exactitude." -Marie Claire "Another North gem."-OK

Everybody's talking - but what's really going on?

"Rich, romantic, beautifully drawn and utterly compelling" Jane Green, New York Times bestselling author A poignant read with a heartbreaking twist for all fans of Me Before You.

The stunning summer bestseller from Freya North.

Jessica Barnes has a one-way ticket to the career of her dreams as a corporate VP when Adam Taylor, the sexy consultant and chief hatchet man, arrives on the scene. Suddenly Jessica's not sure whether her job will get axed if a merger with a rogue company goes through. She wants to ignore the man who's turning her world upside down, but instead he's turning her on.... Adam Taylor never expected to find his dream woman. And he certainly never expected her to be the fireball in the power suit, who's making him want her in as many positions as possible. But when they make a bet to keep their hands to themselves for ten whole days, Adam's not sure he can keep up his side of the bargain! Besides, what's one kiss? Unless it leads to a whole lot more...

One summer, something happened that changed everything forever...

"Hieroglyphics is a novel that tugs at the deepest places of the human soul—a beautiful, heart-piercing meditation on life and death and the marks we leave on this world. It is the work of a wonderful writer at her finest and most profound." —Jessica Shattuck, author of The Women in the Castle After many years in Boston, Lil and Frank have retired to North Carolina. The two of them married young, having bonded over how they both—suddenly, tragically—lost a parent when they were children. Now, Lil has become determined to leave a history for their own kids. She sifts through letters and notes and diary entries, uncovering old stories—and perhaps revealing more secrets than Frank wants their children to know. Meanwhile, Frank has become obsessed with the house he lived in as a boy on the outskirts of town, where a young single mother, Shelley, is now raising her son. For Shelley, Frank's repeated visits begin to trigger memories of her own family, memories that she'd hoped to keep buried. Because, after all, not all parents are ones you wish to remember. Empathetic and profound, this novel from master storyteller Jill McCorkle deconstructs and reconstructs what it means to be a father or a mother, and to be a child trying to know your parents—a child learning to make sense of the hieroglyphics of history and memory.

"No list of thrillers is complete without Robyn Harding," proclaims Real Simple. Now the USA TODAY bestselling author of The Party delivers a riveting tale about the toxic relationship between two couples after a night of sexual shenanigans, and the manipulative teenager with an explosive secret at the center of it all. Low Morrison is not your average teen. You could blame her hippie parents or her looming height or her dreary, isolated hometown on an island in the Pacific Northwest. But whatever the reason, Low just doesn't fit in—and neither does Freya, an ethereal beauty and once-famous social media influencer who now owns the local pottery studio. After signing up for a class, Low quickly falls under Freya's spell. And Freya, buoyed by Low's adoration, is compelled to share her darkest secrets and deepest desires. Finally, both feel a sense of

belonging...that is, until Jamie walks through the studio door. Desperate for a baby, she and her husband have moved to the island hoping that the healthy environment will result in a pregnancy. Freya and Jamie become fast friends, as do their husbands, leaving Low alone once again. Then one night, after a boozy dinner party, Freya suggests swapping partners. It should have been a harmless fling between consenting adults, one night of debauchery that they would put behind them, but instead, it upends their lives. And provides Low the perfect opportunity to unleash her growing resentment. Robyn Harding brings her acclaimed storytelling, lauded as "fast-paced, thrilling, gut-wrenching" by Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six, to this dark and suspenseful thriller for fans of Megan Miranda and Lisa Jewell.

Freya North reunites her popular McCabe girls – sisters Cat, Fen and Pip – in her sexy, funny new novel.
