Turn dull meetings into dynamic group experiences! Chances are that you spend a lot of time at meetings - some are focused and productive, while others are not. This ebook, written by a professional facilitator, contains 77 tips for both meeting leaders and participants. Implementing one or more of these tips can produce dramatic results at your meetings. Learn how to strengthen your leadership abilities, plan effectively, use structure to get more from your meetings, manage group dynamics, empower yourself and others to become strong contributors to the meeting, and more. Inside this ebook there is even a helpful checklist that you can use to assess what you need to do to make your meetings more effective.

GSX-R600 (1997-2000)

Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.

Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

PW50 (1981-1983; 1985-1987; 1990-2002), PW80 (1983; 1985; 1991-2002), BW80 (1986-1988; 1990)

Emoticons - Learn the sign language of text with this ebook full of emoticons from A to Z.
