The Boy Who Will Never Grow Up | Uniquely Me The Child Who Never Grew

The Child Who Never Grew. Originally published in 1950, Buck's account of her struggle to help and understand her daughter with mental retardation was perhaps the first disclosure of its kind by a public figure. New material written for this edition amplifies her story and gives the book a historical perspective.

The Child Who Never Grew by Pearl S. Buck - Goodreads

This short book is a tragic, first hand account of being the mother of a child who although born normal, became retarded as she grew physically but not mentally during her childhood. This child, we now know, had an inherited genetic disorder called PKU, phenylketonuria, that poisons the brain and causes mental retardation if not treated early during infancy with a special low-protein diet.

The Child Who Never Grew: Amazon.co.uk: Buck, Pearl S ...

Both heartrending and inspiring, The Child Who Never Grew provides perspective on just how much progress has been made in recent decades, while also offering common sense and timeless wisdom for the challenges still faced by those who love and care for someone with special needs. It is a clear-eyed and compelling read by a woman renowned for both her literary talent and her humanitarian spirit.

The child who never grew: Amazon.co.uk: Pearl S Buck: Books

When she wrote The Child Who Never Grew in 1950, Pearl Buck was the first prominent person to acknowledge publicly a child with mental retardation. Until then, many families "put the child away" in a caretaking institution, told friends and neighbors that the child had died, and tried to forget that the child existed.

It is a clear-eyed and compelling read by a woman renowned for both her literary talent and her humanitarian spirit.

The Child Who Never Grew: A Memoir: Buck, Pearl S ...

The child who never grew was Pearl Buck's daughter, Carol. The author wrote a poignant memoir of her relationship with her oldest daughter, which hasn't been translated into Italian yet. The piece was first published in book format in September 1950, after being published in "The Lady's Home Journal" in the previous May, at a time when having a mentally retarded family member was often kept as a secret.
