He provides astonishingly vivid and nuanced portraits of all the major figures-Eisenhower, Truman, Acheson, Kim, and Mao, and Generals MacArthur, Almond, and Ridgway. At the same time, Halberstam provides us with his trademark highly evocative narrative journalism, chronicling the crucial battles with reportage of the highest order. Nominated as one of America's best-loved novels by PBS's *The Great American Read*. Renowned hip-hop artist, writer, and activist Sister Souljah brings the streets of New York to life in a powerful and utterly unforgettable first novel. I came busting into the world during one of New York's worst snowstorms, so my mother named me Winter. Ghetto-born, Winter is the young, wealthy daughter of a prominent Brooklyn drug-dealing family. Quick-witted, sexy, and business-minded, she knows and loves the streets like the curves of her own body. But when a cold Winter wind blows her life in a direction she doesn't want to go, her street smarts and seductive skills are put to the test of a lifetime. Unwilling to lose, this ghetto girl will do anything to stay on top. *The Coldest Winter Ever* marks the debut of a gifted storyteller. You will never forget this Winter's tale.

An honest look at growing up as an African-American female in the inner city offers an account of the tense relationship that exists between African-American women and men, the Black church, guns and drugs, and Black nationalism. Reprint. 35,000 first printing. Tour.

Writer ANTONY JOHNSTON and artist STEVEN PERKINS return to Cold War-era Berlin for this prequel to *THE COLDEST CITY*. After a string of botched assignments for MI6 in Berlin, David Perceval is being sent home. Even his final mission before leaving — the defection of a Soviet scientist — goes badly wrong, as the coldest winter for 30 years descends on Europe. With transport out of Berlin impossible, and the KGB searching everywhere for their lost scientist, Perceval must improvise a deadly game of cat and mouse through the frozen city to keep the Russians at bay, and deliver his own unique brand of revenge!

In this elegant and affecting companion to her "extraordinary" memoir, *Borrowed Finery*, a young writer flings herself into a Europe ravaged by the Second World War (The Boston Globe) In 1946, Paula Fox walked up the gangplank of a partly reconverted Liberty with the classic American hope of finding experience—or perhaps salvation—in Europe. She was twenty-two years old, and would spend the next year moving among the ruins of London, Warsaw, Paris, Prague, Madrid, and other cities as a stringer for a small British news service. In this lucid, affecting memoir, Fox describes her movements across Europe's scrambled borders: unplanned trips to empty castles and ruined cathedrals, a stint in bombed-out Warsaw in the midst of the Communist election takeovers, and nights spent in apartments here and there with distant relatives, friends of friends, and in shabby pensions with little heat, each place echoing with the horrors of the war. A young woman alone, with neither a plan nor a reliable paycheck, Fox made her way with the rest of Europe as the continent rebuilt and rediscovered itself among the ruins. Long revered as a novelist, Fox won over a new generation of readers with her previous memoir, *Borrowed Finery*. Now, with *The Coldest Winter*, she recounts another chapter of a life seemingly filled with stories—a rare, unsentimental glimpse of the world as seen by a writer at the beginning of an illustrious career.

Pulitzer-prize winning author David Halberstam's eyewitness account of the most critical political period of U.S. involvement in Vietnam—the Kennedy/Diem era—remains as fresh and stimulating today as when it was first published in 1965. In the introduction to this edition, historian Daniel J. Singal provides crucial background information that was unavailable when the book was written.

New York Times bestselling author *Life After Death*, the hip-hop generation's beloved and most compelling storyteller, delivers a powerful story about love and loyalty, strength and family. In her bestselling novel, *The Coldest*
