The history of Cuba is characterized by dependence on outside powers—Spain, the US, and the USSR. The island of Cuba was inhabited by various Amerindian cultures prior to the arrival of the Genoese explorer Christopher Columbus in 1492. After his arrival on a Spanish expedition, Spain conquered Cuba and appointed Spanish governors to rule in Havana. The administrators in Cuba were subject to the Viceroy of New Spain and the local authorities in Hispaniola. In 1762–63, Havana was briefly ...

This is the first volume of a 2 volume set on the history of Cuba from 1492 to about 1920. This volume covers the Spanish Colonial period, and is a relatively easy to read account. Another reviewer noted sections are akin to the Old Testament with lists of colonial administrators coming and going with little description or engagement.

The History Of Cuba Vol. 1|Willis Fletcher Johnson ...
It is my purpose in these volumes to write a History of Cuba. The title may imply either the land and its natural conditions, or the people and the nation which inhabit it. It in fact implies both, and to both I shall address myself, though it will appropriately be with the latter rather than with the former that the narrative will be most concerned.
