This book challenges every Christian believer to question their preconceived notions on the subject of money. This is not your typical financial prosperity Christian message but rather an intelligently written study guide to help you come to a comprehensive understanding on what the Bible has to say about money. This book gives Christians Biblically sound reasons to prosper and puts to bed the old poverty is humility message.

The strongest energy always wins. That's it! That's the

Key to moving from your current situation, any situation, into the life you've always wanted. Yes! Energy presents the power of the "Energy Equation," which you can employ to attract abundance to all areas of your life. This formula can help you lead your life to achieve financial freedom; center your actions around a spiritual core of certainty and confidence; up-shift your attitude into consistent optimism; commit to engage with others at the highest, most satisfying levels; create the enterprise you've always envisioned; and dust off your dreams. Best-selling author and entrepreneurial speaker Loral Langemeier developed this simple and straightforward methodology, which is revealed explicitly in these pages, because she needed

It herself. Knocked to her knees more than a few times on her true-grit journey from farm girl to multimillionaire, she knows what it's like to hit obstacles hard. Yet despite the blows, she still stands, and she still delivers. So, if you want to learn how to tap into infinite, productive energy; extreme optimism; and calming, clarifying spirituality to improve your life in any way . . . this is the book for you! Harness the Energy Equation and supercharge your life!

A mainstream release of a previously self-published best-seller, written by a successful internet traffic developer best known for his record-breaking sale of the Business.com domain name, shares a wealth of

Insights, tips and strategies for using online resources to build wealth rapidly.

"The author chooses to address these wealth-creating principles primarily to Millennials, born after 1982, because they represent the greatest potential for transformation of society and our world for good. They cannot do this unless they are financially free to do so, live the life they were born to live, and make the unique contribution to the world that only they can make"--Back cover.
