The social contract: A personal inquiry into the ...

The Social Contract: A Personal Inquiry into the Evolutionary Sources of Order and Disorder is a 1970 book by Robert Ardrey. It is the third in his four-book Nature of Man Series. The book extended Ardrey's refutation of the prevailing conviction within social sciences that all social behavior is purely learned and not governed by innate patterns. Through interwoven analyses of animals and human social structures Ardrey argued that inherited evolutionary traits are an important determining facto

The Social Contract (Ardrey book) - Wikipedia

The Social Contract continues on from The Territorial Imperative. These three book Marvellous, extraordinary. A defining work.The three books should be read in sequence, African Genesis: A Personal Investigation into the Animal Origins and Nature of Man , The Territorial Imperative: A Personal Inquiry Into the Animals Origins of Property and Nations , and this, The Social Contract.

The Social Contract: A Personal Inquiry into the ...

Rousseau begins The Social Contract with the most famous words he ever wrote: "Men are born free, yet everywhere are in chains.". From this provocative opening, Rousseau goes on to describe the myriad ways in which the "chains" of civil society suppress the natural birthright of man to physical freedom. He states that the civil society does nothing to enforce the equality and individual liberty that were promised to man when he entered into that society.

Jean-Jacques Rousseau (1712–1778): The Social Contract ...

In moral and political philosophy, the social contract is a theory or model that originated during the Age of Enlightenment and usually concerns the legitimacy of the authority of the state over the individual. Social contract arguments typically posit that individuals have consented, either explicitly or tacitly, to surrender some of their freedoms and submit to the authority in exchange for protection of their remaining rights or maintenance of the social order. The relation between natural an

Amazon.co.uk: the social contract

The Social Contract, originally published as *On the Social Contract*; or, *Principles of Political Rights* (French: *Du contrat social; ou Principes du droit politique*) by Jean-Jacques Rousseau, is a 1762 book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society, which he had already identified in his *Discourse on ...*

The Social Contract - Wikipedia

Social contract. The agreement with which a person enters into civil society. The contract essentially binds people into a community that exists for mutual preservation. In entering into civil society, people sacrifice the physical freedom of being able to do whatever they please, but they gain the civil freedom of being able to think and act rationally and morally.

The Social Contract: Terms | SparkNotes

Social contract arguments typically posit that individuals have consented, either explicitly or tacitly, to surrender some of their freedoms and submit to the authority of the ruler or magistrate (or to the decision of a majority), in exchange for protection of their remaining rights. John Locke's version of social contract theory is striking in saying that the only right people give up in order to enter into civil society and its benefits is the right to punish other people for violating ...
