Landscapes

In the tradition of Kathleen Norris, Terry
Tempest Williams, and Thomas Merton, *The
Solace of Fierce Landscapes* explores the
impulse that has drawn seekers into the
wilderness for centuries and offers eloquent
testimony to the healing power of mountain
silence and desert indifference.

In *The Solace of Fierce Landscapes*, author Belden C. Lane creates a physical setting of the desert for the spiritual work that takes place when we seek a holy detachment from all of the distractions created by external circumstances of our everyday life. Lane repeatedly warns against the temptation to romanticize the monastic work done in silence and solitude.

"There is an unaccountable solace that fierce
landscapes offer to the soul. They heal, as
well as mirror, the brokenness we find
within." It is this apparent paradox that
lies at the heart of this remarkable book:
that inhuman landscapes should be the source
of spiritual comfort.
