So, I decided to review a very popular classical novel in English literature : To Kill a Mockingbird by Harper Lee. Book cover

Thoughts before reading :

Previously, I read that this novel is a hugely popular creation of American literature, and has made its place in school level textbooks. So, I expected it to be simple yet subtly moralistic.

The narration of TO Kill a Mockingbird is handled through adult Jean Louise Finch's reflections on her childhood. Subordinating "since," and conjunctions such as "when," "then" show that the time of the narrative is the past. More strongly, the first and second paragraphs of the novel set the tone for reflection.

Sometimes heart breaking, sometimes laugh out loud funny, these life stories chronicle the author's pursuit of perfectionism and awakening in spite of her trials with addiction and depression. She falls down over and over—and gets up again and again. Nancy struggles with her brokenness while having mystical experiences. Her insights about self-acceptance and self-love provide a guide for living life on life's terms and waking up to a higher consciousness.

approach the novel from educational, legal, social, and thematic perspectives. Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch. An American classic that frequently appears in middle school and high school curriculums, the novel has been subjected to criticism for its subject matter and language. Still relevant and meaningful, *To Kill a Mockingbird* has nonetheless been under-appreciated by many critics. There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students. These essays suggest that author Harper Lee deserves more credit
