Understanding

economic depression that took place mostly during the 1930s, beginning in the United States. The timing of the Great Depression varied across the world; in most countries, it started in 1929 and lasted until the late 1930s. It was the longest, deepest, and most widespread depression of the 20th century.

the Great Depression.

America had gone through hard times before: a bank panic and depression in the early 1820s, other economic hard times in the late 1830s, the mid-1870s, and the early and mid-1890s. But never did it suffer an economic illness so deep and so long as the Great Depression of the
