A proven methodology for building a purpose-powered organization Some ideas are bigger than others, and the Master Idea—your company's purpose—is the biggest. Whether addressing communication between leadership and associates, suppliers to manufacturers, sales force to customers, or brand to consumers, The Story of Purpose details a proven methodology for businesses, small to large, how to build a purpose-inspired organization to positively impact employees, customers, and the bottom line. It reveals the process for uncovering what makes a company distinctive and guides you to discover the fundamental force behind the organization that no competitor can replicate or replace. The Story of Purpose incorporates stories of purpose from Procter & Gamble, McDonald's, Newell Rubbermaid and many more

purpose-driven companies. These stories come to life in a comprehensive book that promises to guide, inspire, and transform your organization Offers a blueprint for creating powerful internal and external messages for current and future customers, employees, and shareholders The Story of Purpose will leave you asking yourself "what gets me up in the morning?" instead of "what keeps me up at night?"

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and
